BROOKHAVEN BULLETIN

Volume 34 - Number 35 / September 5, 1980

BROOKHAVEN NATIONAL LABORATORY

Energy House Dedication

The Brookhaven House, an innovative energy-efficient home built on site for DOE, will be dedicated at 12 noon on Wednesday, September 10, with Congressman William Carney doing the honors.

R/C Aircraft Club

The R/C Aircraft Club will meet on September 11 at noon in Berkner Hall, Room A. We are going to discuss the FENCE! Also we will discuss the possibility of a fun-fly – maybe some club members will attempt the Limbo inverted at 10 feet.

For more information contact R. Larson, Ext. 4656, or J. Durnan, Ext. 2485.

Motorcycle Club

The club will hold its regular monthly meeting on Monday, September 8, at 5:15 p.m. in the Recreation Building. George Stenby will share some travel notes on his 7,000 mile trip this summer through Rocky Mountain and Mid-Western states.

Softball

Who Cares 9 – No Names 6
TNT 14 – Who Cares 11

In Memoriam

Henry P. Kurz, a Rigger in the Plant Engineering Division, died on September 2 at the age of 53. He had been employed at the Lab since June 16, 1947. Kurz, who lived in Center Moriches, is survived by his wife, Ruth, and three children, Ronald, Valerie, and Henry, Jr.

Football

The BNL Touch Football League rules and entry blanks are now ready at the BERA Film Service Office.

For the information of Laboratory newcomers, games are played at the BERA Recreation Park each Monday at 5:20 p.m. through the month of October. All ages can play with little of fear of injuries since there is no blocking and limited body contact.

New teams are welcome. If you do not have a team but would like to play, call Ed Taylor (Ext. 7589) for Players' Pool information.

Deadline date for entry applications is Friday, September 12.

	(on roll)	1.60

Weekend Tour

In Brookhaven Lab prehistory, this site was occupied by Camp Upton, where Army recruits were trained for both world wars. A new exhibit on Camp Upton will be unveiled this weekend. It contains pictures and memorabilia.

The new display is located in the Exhibit Center, which is part of the Lab tour.

Visitors on Sunday will also be able to leave their cars parked at the Lab and take a shuttle bus to the Town of Brookhaven's Country Fair at Longwood. The bus will operate from 10 a.m. to 5 p.m. BNL's Lou Harson, who has collected all of the material for the new exhibit, will be at the fair to talk about Camp Upton.

Metropolitan Opera Tickets

Tickets for the 1980-81 Metropolitan Opera season will go on sale at the BERA Film Service Office in Berkner Hall starting at 8:00 a.m. on Wednesday, September 10.

An employee may purchase as many **pairs** of tickets as desired. Ticket prices (including 50¢/ticket service charge) are as follows: Monday and Tuesday performances, $8.50; Friday and Saturday performances, $9.50.

All sales will be final – no tickets will be accepted for refunds or exchanges after a purchase is made.

Copies of the schedule, including a listing of the Family Circle seat numbers available for each performance, are now ready for distribution at the Film Service Office.

Cooking Exchange

The 1980-81 season of the BNL Cooking Exchange will open with a demonstration of Chinese Cooking on Wednesday, September 10 at 12:30 p.m. in the Recreation Building. Jacqueline Newman, a former member of the Cooking Exchange, will be the guest chef. Lotus Leaf Rice is one of the dishes she will prepare.

The meetings are open to people affiliated with the Lab, and their family members. There will be a charge of $1 per person, and babysitting will be provided at 25¢ per child.

For further information call a member of the committee: Ruth Fernow (928-8465), Sharon Galayda (821-0644), Robin Metz (821-1039), or Adrienne Usher (289-7658).

Runner's Corner

On Sunday, October 5 at 10 a.m. the BNL Roadrunners will host the Jack Baer Memorial 10 Km Race. The event is open to all BNL runners, family, friends and the general public. Applications are being printed and will be sent to those on the club's on-site mailing list. Applications will also be posted in the men's and women's gym locker rooms. There will be a meeting of all race committee chairmen, and those who wish to volunteer, on Tuesday, September 9 at noon in the conference room of Building 318.

In marathoning news, a number of BNL runners are among the 15,000 who have been accepted into the New York City Marathon on October 26. The team will charter a bus to transport the runners and spectators to the race. Seats can only be reserved by sending $6.00 to John Ferrero, Building 134C. Checks should be made out to the BNL Roadrunners. First priority will be given to the BNL runners and their families. This group has until September 22 to reserve seats. After this date, bus seats will be open to other spectators and runners. All seats must be reserved by October 10. Due to confusion in past years, seat money will not be refundable.

The team also has reserved a hotel room overlooking Central Park for post-race meetings. Runners who wish to share the room can send $4.00 to Gus Prince, Building 197C. All spectators, friends and families are invited to join the post-race party at no charge.

* * * * * * *

In national racing news, Gus Prince has been named by The Runner as his age-group national record-holder. This honor came after his outstanding 36:54 10 Km run in Central Park.

Placement Notices

The Laboratory's placement policy is to select the best-qualified candidate for an available position, with consideration given to candidates in the following order of priority:(1) present employees within the department, with preference to those within the immediate work group; (2) present employees within the Laboratory as a whole; and (3) outside applicants.

The determination of the best-qualified candidate for available positions will be based upon education, experience and other job-related criteria. Such factors will be evaluated and measured against the demonstrable requirements of the available vacancy, as well as the Laboratory's Affirmative Action objectives.

The Laboratory is committed to a policy of Equal Opportunity in its selection and placement of personnel. Its objective is equality of opportunity in employment, training, and promotion without regard to race, color, religion, national origin, sex, age or handicap.

Each week, the Personnel Office lists new personnel placement requisitions. The purpose of these listings is, first, to provide open placement information on all nonscientific staff positions; second, to give employees an opportunity to request consideration for themselves through Personnel; and, finally, for general recruiting purposes. Because of the priority preference policy stated above, each listing does not necessarily represent an opportunity for all candidates. As a guide to readers, the listings are grouped according to the anticipated area of recruitment, as indicated below. Except when operational needs require otherwise, positions will remain open for one week following publication date.

For further information regarding a placement listing, contact the Personnel Placement Supervisor, Ext. 2882.

LABORATORY RECRUITMENT: Opportunity, for present Laboratory employees.

1450. SECRETARIAL POSITION - Requires AAS in secretarial science or equivalent experience handling diversified secretarial duties. Excellent typing ability is essential. Will assist primary secretary with general office responsibilities. Department of Nuclear Energy.

OPEN RECRUITMENT: Opportunity for present Laboratory employees and outside applicants.

1451. DATA SERVICES ASSISTANT - Requires AAS or equivalent with some programming experience. Knowledge of PASCAL would be desirable, FORTRAN helpful. Will assist Project programmers in the preparation and use of programs and be responsible for maintaining software library. Accelerator/ISABELLE Project.

1452. TECHNICAL POSITION - Requires AAS or equivalent background in electronic technology. Should have considerable experience in the maintenance of a large scientific computing facility and its peripheral components. Involves possible shift work. Applied Mathematics Department.
