BROOKHAVEN BULLETIN
Special Issue November 23, 1994
BROOKHAVEN NATIONAL LABORATORY

Time Again to Renew Old BNL Friendships

This is the time of year for renewing old friendships and remembering people you may not have had a chance to visit during the year. So, the Bulletin is publishing this list of retired employees and those on long-term leave. Prepared by Personnel Services from its records, the list is up-to-date as of November 7. If you have any corrections, please notify Personnel or call (516) 282-7516.

Among Retirees, These Two Are Tops

The man and woman who have been retired the longest from Brookhaven are also the two who are the eldest retirees — and both are celebrating birthdays this month. Respectively, they are Malcolm Johnson, who retired on December 31, 1964, and turns 95 on November 27; and Valborg Segerdahl, who retired on December 30, 1966, and turns 92 on November 23.

With life number 2558, Malcolm Johnson was hired on October 17, 1949, as a technician A in the Hot Lab at the Brookhaven Graphite Research Reactor (BGRR) and was promoted to a senior technician in July 1950. In October 1950, he joined the BGRR's Operations Group, moving to the Remote-Control Engineering Section in April 1951. In December 1951, Johnson joined the Experimental & Theoretical Division of the Physics Department and was promoted to Associate Technical Specialist in July 1955. Technical Specialist II became his title in July 1958, and he retained it until he retired.

Malcolm Johnson, 1949

Malcolm Johnson, upon retirement

According to his wife, while employed at the Lab, Johnson was active in the Archery Club and the Rifle & Pistol Club. Since his retirement 30 years ago, "Malcolm led a very busy life until the last few years," says Loubelle Johnson. Unfortunately, Malcolm Johnson was recently hospitalized and is recuperating at the Bellhaven Nursing Home in Bellport following a fall, which broke his hip and shoulder.

"I've had my share of illnesses, but, thank goodness, I've managed to surmount them," reports Valborg Segerdahl from her home in Florida, where she moved four years after her retirement from BNL.

Valborg Segerdahl, 1956

On April 23, 1956, Segerdahl came to the Lab as a secretary B for the Medical Research Center (MRC) and was assigned life number 4599. In June 1958, she was promoted to a secretary A, and, in January 1960, moved to the Medical Department, where she served as secretary to Lewis Dahl, who headed the MRC. After being promoted to Senior Secretary in July 1966, she retired.

Her husband was Nils Segerdahl, who had been a general manager of radio station WALK before joining the Lab's Accelerator Department in 1955. Val and Nils Segerdahl retired on the same day, enjoying 14 work-free years together before Nils died in 1980. Since then, Val Segerdahl has been living with one of her two sisters. During her 28-year retirement, "I've been keeping busy, but I think about the Lab a lot," says Segerdahl.

Valborg Segerdahl, today

Did you know?

Seven BNL retirees live in six foreign countries: one each in Denmark, Finland, Germany, Italy and the Marshall Islands, and two in Canada.

Can you find them all? If you can, enter our contest *for retirees only*. If you are one of the first three retirees to submit a correct entry, we'll send you a gift from the BNL Science Store.

Just send the names of all seven retirees along with their respective countries to: Brookhaven Bulletin, Brookhaven National Laboratory, Bldg. 134, P.O. Box 5000, Upton, NY 11973. Be sure to put your own name, life number and address on your entry. Good luck, and don't forget — only retirees are eligible to enter!
