

**BROOKHAVEN NATIONAL LABORATORY'S
60TH ANNIVERSARY SYMPOSIUM
OCTOBER 19, 2007**

SCHEDULE OF EVENTS

| | | |
|----------------------|-----------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| Master of Ceremonies | Sam Aronson | Director, Brookhaven National Laboratory (BNL) |
| 9:00 – 9:15 | BNL Reflections | |
| Presented by | Sam Aronson | |
| 9:15 – 10:15 | Symposium 1: Accelerator Design and Instrumentation | |
| Session Chair | Sam Aronson | |
| Presented by | Robert Palmer | Senior Physicist, BNL |
| | Veljko Radeka | Division Head, Instrumentation Division, BNL |
| 10:15 – 10:45 | Break | |
| 10:45 – 11:45 | Symposium 2: Basic Energy Sciences | |
| Session Chair | Alexander Harris Chair, Chemistry Department, BNL | |
| Presented by | Martin Blume | Senior Physicist Emeritus, BNL and Editor-in-Chief Emeritus, American Physical Society |
| | Seamus Davis | Professor of Physics, Cornell University and Senior Physicist, Condensed Matter Physics and Materials Science, BNL |
| 11:45 – 12:45 | Symposium 3: Nuclear and Particle Physics | |
| Session Chair | Peter Bond Senior Advisor to the Director, BNL | |
| Presented by | Nicholas Samios | Director, RIKEN, BNL Research Center, BNL |
| | William Zajc | Professor of Physics, Columbia University |
| 12:45 – 2:00 | Lunch | |
| 2:00 – 3:00 | Symposium 4: Life Sciences | |
| Session Chair | Richard Setlow Senior Biophysicist Emeritus, BNL | |
| Presented by | Wayne Hendrickson | Professor of Biochemistry and Molecular Biophysics, Columbia University |
| | Nora Volkow | Director, National Institute on Drug Abuse, National Institute of Health |
| 3:00 – 3:30 | Break | |
| 3:30 – 5:00 | Symposium 5: | |
| Session Chair | Doon Gibbs Deputy Director for Science & Technology, BNL | |
| | Computational Science | |
| Presented by | David Keyes | Z.Y. Fu Foundation Professor of Applied Mathematics, Columbia University |
| | Climate Change | |
| | Steve Schwartz | Senior Chemist, BNL, and Chief Scientist, U.S. Department of Energy Atmospheric Science Program |
| | Energy | |
| | Dan Nocera | W.M. Keck Professor of Energy and Professor of Chemistry, Massachusetts Institute of Technology |
| 5:00 – 6:00 | All Employee Reception | |
