

Weight Room: Any contractor or family member wishing to use the Weight Room MUST present a copy of their medical insurance card to the Recreation Office (Bldg 400), which will be kept on file.

BERA League Sports: BSA paid employees must fill out this **BERA Sports Clearance Form** and go through the clearance procedure with OMC @ 490 (not this office). Once reviewed by OMC, the clearance form will be mailed to the player who must then furnish a copy to the captain in order to practice or play.

*Non-employees are not required to fill out the BERA Sports Clearance form, but are still required to give the Recreation Office (Bldg 400) a copy of their health insurance for league sports & weight room. This includes spouse/partner, adult children, guests or contractors who participate.
