APR 09 2015

Ms. Suzanne Davidson  
Brookhaven Science Associates, LLC  
Brookhaven National Laboratory  
Upton, NY 11973

Dear Ms. Davidson:

**SUBJECT: AUTHORIZATION TO PROCEED WITH THE TRANSITION OF BROOKHAVEN NATIONAL LABORATORY (BNL) MOTOR VEHICLE FLEET TO GENERAL SERVICES ADMINISTRATION (GSA) VEHICLE CONSOLIDATION UNDER CONTRACT NO. DE-SC0012704**

**Reference: Letter from S. Davidson, BSA to E. Landini, BHSO, Subject: Approval to Proceed with GSA Vehicle Leasing Program dated March 7, 2014**

This letter is to inform you that your March 26, 2015 request to convert approximately 242 Department of Energy owned vehicles to GSA leased vehicles has been received. The request provided adequate documentation that demonstrates BNL's need to transition to a leased fleet to lower maintenance and fleet costs, as well as reduce the average age of the fleet. GSA's leasing program has been determined to be the most efficient and cost effective method to accomplish these objectives. Brookhaven Science Associate's approval to proceed is stated in the above reference.

Accordingly, your request is hereby approved. The administration of the program should be in accordance with Prime Contract Clause I.161, DEAR 970.5244-1, *Contractor Purchasing System*. Furthermore, the Memorandum of Agreement is to be signed shortly and you will be provided an executed copy.

This letter supersedes any previous correspondence. If you have any questions, please contact Aundrea Clifton, of my staff, at extension 2405 or at [aclifton@bnl.gov](mailto:aclifton@bnl.gov).

Sincerely,
