Mr. Paul Pierson, Chief Procurement Officer

Brookhaven National Laboratory
Upton, NY 11973

Dear Mr. Pierson:

**SUBJECT: RECISSION OF FISCAL YEAR 2023 AND FISCAL YEAR 2024 M&O
BALANCED SCORECARD REQUIREMENTS**

Effective immediately, the Balance Scorecard has been rescinded. Consequently, the submission of the Fiscal Year (FY) 24 and FY23 Balance Scorecard is no longer required.

While this memorandum does not address the requirement beyond FY 2024, recognizing the importance of a collaborative and constructive approach to evaluation, we would like to arrange a meeting to discuss mutual expectations and collaboratively establish new, effective evaluation metrics. You have valuable insights that are integral to this process.

Furthermore, we wish to emphasize that performance remains crucial. It is our collective responsibility to ensure that the need of such a program does not arise in the future. Your commitment to excellence and sustained high performance is essential in this regard.

Thank you for your understanding and cooperation. We anticipate your positive response and look forward to a productive discussion.

Sincerely,

Robert P. Gordon
Contracting Officer
Site Manager
