Dear Mr. Lincoln

**Reference:** Letter from R. Lincoln, BSA to F. Fernandez, SC-BHSO, Subject: Request for extension of Weather and Safety Leave (WSL) and Booster Shot Codes, dated December 9, 2021.

This is in response to Brookhaven Science Associates (BSA's) request on December 9, 2021, regarding the use of WSL for the period between December 8, 2021, and December 31, 2021. In addition, to use the following codes: CVL, VSE, and CVF for individuals that are receiving the Booster shot. Contract clause H.21 (d) (1) states no presumption of allowability will exist when the Contractor implements a new benefit plan or makes changes to existing benefit plans that increase costs or are contrary to Departmental policy or written instruction or until the Contracting Officer makes a determination of cost allowability for reimbursement for new or changed benefit plans.
