Dear Ms. Davidson:

SUBJECT: REVISION OF BROOKHAVEN NATIONAL LABORATORY (BNL) DISCLOSURE STATEMENT

- Reference:
1. Letter from E. Landini, BHSO, to S. Davidson, Subject: Review of BNL Disclosure Statement for Compliance with DOE Order 430.1B, dated December 23, 2014
 2. Letter from S. Davidson, BSA, to E. Landini, BHSO, Subject: Review of BNL Disclosure Statement for Compliance with DOE Order 430.1B, dated January 22, 2015

The Brookhaven Site Office (BHSO) requested Brookhaven Science Associates (BSA), Reference 1, to review their Disclosure Statement to ensure compliance with DOE Order 430.1B, "Real Property Asset Management". As a result of BSA's review, BSA submitted a revised Disclosure Statement to BHSO, Reference 2, for review and approval. Although BSA considered the Disclosure Statement to be responsive to DOE Order 430.1B, BSA elected to revise the Disclosure Statement to include additional clarification language pertaining to Institutional General Plant Projects (IGPP).

Based on our review of the revision, and consultation with the DOE Office of the Chief Financial Officer (CFO), the enclosed Fiscal Year 2015 Disclosure Statement, dated January 22, 2015, is considered current, adequate and complete. Accordingly, the Disclosure Statement is hereby approved. If you have any questions, please contact John Meadows, of my staff, at extension 3430.

Sincerely,

A handwritten signature in cursive script that reads "Evelyn Landini".
