SENSORS, ELECTRONICS  
& SYSTEMS

## Save the Date

**Thursday, January 26, 2023**

**9:00 A.M. – 2:00 P.M.**

(AN IN-PERSON EVENT)

Researchers, entrepreneurs, investors, and others are invited to learn how to leverage resources available from the Instrumentation Division at the U.S. Department of Energy's Brookhaven National Laboratory. Speak with experts, see research capabilities, and explore intellectual assets that create opportunities to collaborate and innovate through partnerships with Brookhaven Lab.
