

# 21st Accelerator Test Facility (ATF) Users' Meeting

November 14-16  
at Brookhaven National Laboratory  
Upton, New York, USA

## Program:

- The ATF Program Advisory Committee (APAC) will review the progress of the ongoing user experiments and approve new experimental proposals that are synergistic with the mission of the DOE Office of Science Accelerator Stewardship Program.
- The meeting will serve as a forum for collaboration and a platform for users to report their work to APAC and the research community.
- The current status, performance, and future plans for the ATF will be presented.

## Important Dates:

- Online Registration Deadline - November 6
- Proposal Submission Deadline - November 2
- Facility Tours - November 16
