Dear Soldiers,

I am Owen and I love sports. My favorite game is football. My favorite food is steak. In the army, do you have foods like steak or is your food like our disgusting school lunches?

I can't start to explain how lucky I am to have you. You are like guardian angels. So, it is my pleasure to give you my candy for your own good.

This is no where near to the sacrifice you give every day just for my safety and the safety of others. Whenever I see a veteran or soldier, I must say, "Thank you for your service." I give you as much respect as my parents.

Thank you for your service.

Yours truly,

Owen
