Mr. Erickson

Hi,

I received the Gortex the other day via the snail mail of the US Army, ( and plus I have been TDY for a several weeks).

I just wanted to say "thank you so very much"! I was kind'a expecting maybe a hand-me-down or something, but what a surprise to find a brand new ACU Gortex. Wow!

I have been telling all of the chaplains up here about what you did...They are simply in awe!

Again, I am extremely grateful for the coat.

Blessings
