Brookhaven National Lab  
Dr. Samuel Aronson, Director  
Upton, NY 11973

Dear Dr. Aronson:

On behalf of The Suffolk County United Veterans Project, Inc. (SCUVP), I wish to personally thank the members of the Brookhaven Veterans Association for dedicating their time and effort to renovating our veterans' home at 115 Carleton Drive in Shirley. They have continued to support our organization with food, clothing and furniture donations, in addition to significant financial contributions. We are greatly appreciative of the on-going care and support of everyone at the Brookhaven Veterans Association.

Contributions and donations make it possible for SCUVP to continue providing short-term and long-term residential housing, along with supportive services, to homeless veterans and to enable them to achieve self-sufficiency and economic independence.

Again, I wish to thank the Brookhaven Veterans Association for their generosity to The Suffolk County United Veterans Project, Inc. If there is anything our organization can do for you, or anyone that you know who could use our help, please don't hesitate to call us at (631) 924-8088.

Sincerely,

John Lynch  
CEO
