

Dear Veterans,

One of our contacts sent this along. Perhaps someone you know would like to take advantage of this opportunity. FYI.

Town of Brookhaven Division of Economic Development

1st Annual Veterans Job and Education Fair

Dear J,

The American soldier has been the foundation of our national landscape since the founding of the Republic. This belief is exemplified in the words of the American patriot Thomas Paine in his famous pamphlet titled "The American Crisis":

These are the times that try men's souls: The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it now, deserves the love and thanks of man and woman.

-Published on 23 December 1776

So with Thomas Paine's words echoing this current generation of veterans the **Town of Brookhaven** is both pleased and honored to show those who deserve our love and our thanks, by hosting this important event.

**BROOKHAVEN

Brookhaven's [Division of Economic Development](#). This Job Fair, the first of its kind, is one more way my administration is working to support the brave men and women who have sacrificed so much and have put themselves in harm's way.

The Veterans Job and Education Fair is on **Tuesday, April 22 from 4-8pm at Brookhaven Town Hall**, located at 1 Independence Hill in Farmingville. At the Fair, veterans will be able to meet with prospective employers, veterans' employment representatives from the county and state government, colleges and universities as well as employment counselors.

We will connect veterans with organizations looking to hire as well as offer counselors who can provide career guidance. Additionally, we will have armed forces recruiters on-site to answer questions about the benefits of re-enlisting. Please inform your membership, freinds and family about this wonderful opportunity and urge them to attend.

If you have any questions, please contact my Workforce Development team within Economic Development at **631-451-6563**. Thank you for your service and I look forward to seeing you at Brookhaven Town Hall on April 22.

Sincerely,

Brian X. Foley
