

The goal of VetsBuild Long Island is simple ... to help our Long Island Veterans find jobs in the high growth, high demand Green Industry. VetsBuild provides the following at no cost to the veteran:

- Training at United Way's E3 SmartBuild Training Center (Energy • Efficiency • Education), a state-of-the-art facility equipped with the latest technology and equipment to provide VetsBuild students with hands-on training in Green construction and property maintenance.
 - Green Building
 - HVAC
 - Property Maintenance
 - Retro Fitting
 - Weatherization
- Training sessions run for 5 weeks. 2016 Winter Session will begin January 25th. Spring 2016 Session to be announced
- Converting MOS to lead to employment
- Job counseling, job placement & basic computer literacy skills
- For individuals who have graduated, advanced training will be available
