

Did You Know?

Sunday, November 5, 2017 Daylight Saving Time (DST)

On Sunday, November 5, 2017 at 2:00 a.m. clocks are turned back an hour, ending daylight saving time.

Double check any device you have that automatically adjusts its clock to DST - does it "know" the new rule?

ALSO REMEMBER TO:

CHANGE YOUR CLOCK; AND

Change the batteries in your smoke detectors & carbon monoxide detectors!!
