

Did You Know?

Sunday, March 12, 2017 Daylight Saving Time (DST)

On the second Sunday in March, clocks are set ahead one hour at 2:00 a.m. local standard time, which becomes 3:00 a.m. local daylight time, effectively moving an hour of daylight from the morning to the evening.

Double check any device you have that automatically adjusts its clock to DST - does it "know" the new rule?

ALSO REMEMBER TO:

Change your clock; and

Change the batteries in your smoke detectors & carbon monoxide detectors!!
