

# Creating a Family Emergency Communications Plan

Sponsored by the BNL Maker Club and BNL Amateur Radio Club

**Building 515 Seminar Room  
Tuesday, September 27, 2016  
12 noon**

**Your family may not be together if a disaster strikes. Ask yourself: How will my family: Be warned? Get to a safe location? Know who to call? Know where to meet? Stay in contact if cell phones, internet and landlines are down? Let loved ones know that we are safe?**

**Come to the presentation and learn how.**
