

**BERA RULES FOR PARTICIATION ON TRIPS & EVENTS**  
***Brookhaven Employees' Recreation Association***

- All events & trips are for the employees of BNL. BERA will always try to accommodate those with BNL guest appointments, BNL contractors, and BNL users. Limitations apply.
- Employees' children under 21 must be accompanied by a parent who is a BNL employee.
- 21 & over for all Atlantic City trips.
- Children 2 & under may be free if sitting on the lap of a parent (when the venue ticket is free for child). Ask at the time of purchase.
- BERA reserves the right to change or post rules pertaining to individual trips.
- When arriving at BNL for a BERA trip you must either have a BNL employee, family, or retiree badge or be entered in the BNL main gate data base and have photo ID on arrival.
- If this is not possible, then you must request an Exit 63 park and ride pick up when you purchase your tickets at the BERA Store.

**Weather, Rain Out & Overtime Policy**

The BERA policy listed below is determined by and at the discretion of the BERA Board representative or chaperone on each trip.

- GAME DURATION: BERA will remain at a game until the end, or 11:30pm, whichever occurs first.
- Weather or Rain Out: In the event of a rain out, BERA will not collectively return rain out tickets for future games. Each ticket holder may, on their own, immediately exchange their ticket for a future game. If a rain out occurs, BERA will wait & stay at the stadium for a maximum of 1.5 hours for any ticket holder who chooses to exchange their ticket for another game.
- SNOW/Weather? Events sometime will take place even though we cannot get there by bus safely or reasonably. BERA will make every effort to have the venue re-issue tickets or make amends, but this is not guaranteed.
- Again, this is determined by and at the discretion of the Recreation Supervisor or the BERA Board representative on each trip.
- BERA will not provide transportation or be responsible for any exchanged tickets or make up games.
- Questions? Call 344-5090.
