

**Brookhaven Science Associates
Science & Technology Steering Committee
2008**

Dr. Charles Baltay
Department of Physics
Yale University

Dr. Barbara A. Baird
Dept. of Chemistry & Chemical Biology
Cornell University

Dr. Karen Berman
Chief, Section on Integrative
Neuroimaging
National Institutes of Health, NIMH
Intramural Research Program

Dr. Jonathan Cohen
Psychology Department
Princeton University

Dr. Gary Feldman
Frank B. Baird, Jr. Professor of Science
FAS Physics Department
Harvard University

Dr. David J. Galas
VP & Chief Scientific Officer
Biological & Life Sciences, Lab Ops
Battelle Seattle Research Center

Dr. Wayne Hendrickson
Dept. of Biochemistry & Molecular
Biophysics
Columbia University

Dr. Barbara Jacak
Dept. of Physics & Astronomy
Stony Brook University

Dr. Robert Jaffe
Department of Physics
Massachusetts Institute of Technology

Dr. Robert Liebermann
Pres., Consortium for Materials
Properties Research in Earth Sciences
Stony Brook University

Dr. David Litster
Department of Physics
Massachusetts Institute of Technology

Dr. Peter B. Moore
Department of Chemistry
Yale University

Dr. David Rubin
Department of Physics
Cornell University

Dr. Frans Spaepen
Div. of Engineering & Applied
Science
Harvard University

Dr. Gerald Stokes
President & CEO
Battelle-Japan
Dr. Ali Yazdani
Department of Physics
Princeton University

Prof. William Zajc
Department of Physics
Columbia University
