MAKE THIS A SAFE CHRISTMAS

Christmas decorations in the home are often a fire hazard that are overlooked. Many serious accidents happen each year due to inflammable materials that are used for Christmas decorations and the Christmas tree as well. With this edition of the "Bulletin Board" there is enclosed a booklet prepared by the National Fire Protection Association entitled "Make This A Safe Christmas". Observance of the rules contained in this booklet will help to protect your home from fire during the holidays.

"LIFE & HALF-LIFE" TICKETS ON SALE DECEMBER 20

Tickets for the BNL Dramatic Club's presentation, "Life & Half-Life" will be placed on sale December 20. The tickets will be 75 cents each and must be purchased for a specific performance, either January 13 or 14.

Music for the presentation will be provided by an orchestra led by Charles H. Watterson of the Building Maintenance Group.

Members of the cast and the orchestra are rehearsing daily and all indications are that the production will be a sprightly musical show. It will have fifteen original musical numbers composed by staff members.

WHO ORDERED THIS RECORD ALBUM?

The Supreme Radio Shop of Patchogue has a problem that is causing them some embarrassment. Several weeks ago a Laboratory staff member ordered and paid for an album of records, "Songs of the African Veldt", with instructions to forward it to an address in Pennsylvania.

The radio shop has mislaid all of the papers covering this transaction and is anxious to hear from the individual who placed the order.

TO: Tennis and Badminton
Enthusiasts

FROM: K. D. Hartzell

SUBJECT: The Facilities Now Available in
The Gym.

Have you seen the nice job which Don Mallory and Dick Vogt have done on the Gym floor? You should drop in and take a look at the location of the tennis and badminton courts. Nets will be up and ready for use by the first of next week.

What nights during the week would you and your friends like to play and at what times? Dick has asked me to get an expression of preference in this matter to guide him in setting up schedules for the use of the courts. A few tennis and badminton racquets will be purchased by B.E.R.A. for the use of those temporarily without them. Talk this over with your friends and then either check this blank and send it in to the Recreation Office at the Gym, or call Dick Vogt, Extension 391 before Friday noon.

Please use the indicated symbols: T--Tennis, B--Badminton at the times you prefer.
