Plans for the concert series are progressing rapidly. We are now assured of having at least four concerts this winter, and if the sales of concert group memberships can be boosted further, a fifth concert will be planned. Buy memberships for yourself, your family, and your friends now from one of the people listed below.

The first concert will be a program of songs and ballads by famous folk-singer Richard Dyer-Bennet on Thursday, November 30. On Thursday, January 4 we shall hear a recital of violin and piano sonatas by Israel Baker and Yaltah Menuhin. And negotiations are well underway for a piano recital by William Kapell sometime in April. Watch the Bulletin Board for further announcements.

SERVICE STATION

Do you know that we have an up-to-date Service Station right here at the Laboratory that can service your car 100% while you are on the job? They will pick up your car for service and deliver it. They handle everything for your car needs, anti-freeze, tires, batteries, accessories, etc.

Although regular rates are charged, the Brookhaven Employees Recreation Association receives one cent for every gallon of gasoline purchased at the station.
