## B.E.R.A. ACTIVITIES NIGHT

Activities Night last year was presented with our fingers crossed. Our fingers uncrossed soon after the program started when we saw the audience was having a good time. And when over 750 crowded into the gym for dancing, we felt the whole evening was a success.

So we've decided to do it again - on Friday, November 16, starting at the Theatre at 8:00 P.M. And again, as last year, it will be free to all including members of the family - don't forget the teen-agers, as there will be dancing in the gym after the entertainment in the Theatre.

Those of you who missed last year's show may wonder what Activities Night means. It is B.E.R.A.'s (Brookhaven Employee's Recreation Association's) way of showing you the organized activities at the Lab which any employee may join. Over 600 employees are in one or more of the activities now - so if at Activities Night you see something you like - don't hesitate - the more the merrier. And what you will see and hear on November 16 is BNL's big band, the Theatre Group's one-acter "The Man with the Bowler Hat," fancy dancin' by the Square Dance Group, a movie guaranteed to be twice as good as the one last year (it had better be!), and the concert ensemble, and the quartet, and the windup by dancing in the gym.

The invitation is out, the theatre holds over 900 - so let's go!
