"Al" Kingston, who served so capably as assistant stage manager for "Biography," will take over the responsibilities of stage manager with experienced, energetic, Saul Harris as Technical Director to guide him. Wardrobe and make-up will be supervised by Connie Moses; Norman Still will handle the endless numbers of properties required for the play. Lighting and sound will be deftly attended by Connie Murphy. This is the lineup so far. Each of the above named executives will acquire their assistants from the group membership and the full lineup will be announced later. The welcome mat is down for more new members - for information, address inquiries simply to: BNL Players, and give your BNL phone number (and your name.)
