## RECORD DANCE

Due to the large turnout at the last record dance, another one will be scheduled Wednesday, March 28 at the Recreation Hall, York Lane. The time is 8:30 P.M. Let's all come this time.

## PICTURE PROBLEMS

Can a picture be psycho-analyzed? Or, is it the photographer who must be examined critically? In any event, bring your snapshots along to the Photo Club meeting at 7:00 P.M. on Wednesday, March 28, Recreation Building.

A panel of club members will be anxious to give their opinions of your P.C. (picture quotient). All types of prints and slides are solicited. This is an excellent opportunity to see your print as others see it.

## NEXT MOVIE

The Film Study Group has as its next presentation, "Grand Illusion," Monday evening, March 26, at 8:30 P.M. The stars include Eric Von Stroheim, Pierre Fresney, and Jean Gabin.
