## ACTIVITIES

### NIGHT

The program for Activities Night has been put into final shape. It looks like it is going to be a very interesting evening. For the family that has to leave early, there will be an early showing of the Film Study color slide exhibit, and a movie in both color and sound. The movie is of twenty-minute duration and is entitled "FALLEN EAGLE". The Film Study presentation will be shown in the Lecture Hall starting at 7:45 p.m. Following the early showing, the main part of the entertainment will begin at the Theatre at 8:30 p.m. A one-act play, band concert, woodwind quintet, and vocal quartet will present ninety minutes of mirth and melody. Following the program at the theatre, the Film Study presentation will again be shown at the Lecture Hall, and the gymnasium will be open to show various club displays and for dancing. Everything in the entertainment line is free. Refreshments will be on sale at the Gymnasium.

### THE ADVENTURESS

The Film Study Group follows up with a second J. Arthur Rank production on October 20 at 8:30 in the Lecture Hall.

Starring two veteran performers, Deborah Kerr and Trevor Howard, the story concerns a young Irish girl who is lured into helping a wartime Nazi plot against the English. Coming into possession of important secret docu-

ments, she undergoes a change of heart, destroys the information, and fights her way to safety.

Admission is 50 cents. Everyone welcome.

### BOWLING SHOES

Samples of both mens' and ladies' bowling shoes are at the Recreation Office. Orders accompanied by payment will be taken on or before Friday, October 31.
