HARVARD GLEE CLUB

COMING HERE MARCH 28

Through the generous cooperation of the Laboratory administration, the BERA concert group has been able to arrange a concert by the Harvard Glee Club and the Radcliffe Choral Society at BNL. This will be a special event, in addition to the regular concert series, and it is hoped that it will appeal to a large number of employees and their families and friends. The concert will take place on Saturday, March 28, in the Theater. Tickets will go on sale next week at \$1.25 each.

Watch next week's Bulletin Board for further details and for the names of ticket sellers in various locations. But keep the date open and tell your friends about this unusual opportunity now!

Here is what Virgil Thomson said recently about the Harvard-Radcliffe group in the N. Y. Herald Tribune:

"The Harvard Glee Club and the Radcliffe Choral Society, together and separately, constitute three of the finest singing societies in America -- a men's choir, a women's choir, and a mixed choir. These beautifully trained young people sang with musical conviction, too, with style and accuracy and belief."

Tryouts for "Arsenic and Old Lace" Feb. 24-25-26, Theatre

All the world loves a sweet old murderess and with this in mind, the Theatre Group at its last meeting settled on Joseph Kesselring's successful play about two such gentle homicidal souls for its Spring production sometime late in May. Monte Moses will direct the show which calls for a large cast on stage and a sizeable production crew off-stage. Acting tryouts and interviews for all production activities are open to any interested Lab people and will be held in the Theatre from 12:00 to 1:30 on Tuesday and Wednesday, Feb. 24 and 25, and 8:00 PM Feb. 26. If you can't make it and are in any way interested, call Ed Sayre, Ext. 605 or M. Moses, Ext. 2163. Copies of the script will be available at the Main Library circulation desk and persons intending to try out for a part should familiarize themselves with it. Remember, experience isn't essential; if you like being around paint, powder and arsenic come to the Theatre and we'll give you a job.
