Upton, New York

JANUARY 26, 1953

## THE FILM GROUP PRESENTS

For the first series of 1953, the Film Study Group has selected six outstanding American and foreign films. Most of these films have received national or international awards for excellent direction, photography or acting. Prices are the same -- series ticket \$1.75 or .50 single admission. The series ticket is really worth the price for this group. All shows begin at 8:30 p.m. in the Lecture Hall.

Louis Jouvet-Dalio

### PAISAN -- MONDAY, FEBRUARY 9, 1953

Filmed in 1947, Roberto Rossellini directs a memorable picture of the impact of war on a native population and a foreign soldiery. It follows the American and British Armies during the invasion and the months after liberation, beginning with the landing in Sicily and ending in the marshes of the Po Valley. First Prize Awards at the Cannes, Brussels, and Venice Film Festivals.

Grand Prize Cannes World Film Festival

### TREASURE OF SIERRA MADRE -- MONDAY, MARCH 9, 1953

This Warner Bros. production with Walter Huston and Humphrey Bogart was the surprise of the year. The excellent acting of Bogart and Huston resulted in an Academy Award. The plot is a stark and hard hitting account of the fate which three American derelicts bring upon themselves through their distrust of each other while on a gold prospecting trip.

First Prize Cannes International Film Festival

### MARGIE -- MONDAY, APRIL 13, 1953

For amusing and appealing comedy, Margie, is an outstanding example. Particularly well done is the scenerio and plot treatment. In this one, the late 1920's are delightfully and nostalgically recaptured through the story of a high school girl's crush on her French teacher. This will also be enjoyed by the teen-agers -- so make it a family party.

Humphrey Bogart

### CABINET OF DR. CALIGARI -- MONDAY, MAY 11, 1953

Produced in 1919 and directed by the famous Robert Weine, this German film is called by the Museum of Modern Art one of the three most famous of all films.

Influenced by the impressionist art movement of past World War I in Germany, the plot is an hallucination of the narrator, a young man, concerning a murdered friend and an insane fiancee.

Alec Guinness

### ON THE RIVIERA -- MONDAY, JUNE 8, 1953

Music, dancing, Danny Kaye in a double role, Gene Tierney, Corinne Calvet, and technicolor. A combo worth considering on a June evening.

Mr. Kaye playing the parts of an American entertainer and a French aviator creates a first rate musical comedy full of suspense.

Danny Kaye

### LAVENDER HILL MOB -- MONDAY, JULY 13, 1953

Alec Guinness in the hilarious British comedy-farce which has brought immense gaiety to all audiences, scores again as the mild little clerk in the Bank of England who dreams of absconding with a million pounds and actually does it. If it's Guinness -- it's good!

Walter Huston

The Damned - Devil and Daniel Webster

SPANISH-FRENCH CLASSES

We are pleased to announce the following result of the enthusiastic response to the recent notice regarding French or Spanish Classes. The majority preference indicates that a beginning Spanish Class will start on Thursday, Feb. 5, 1953. The teacher will be John Burt, a language major with working experience in the language.

Assuming a minimum registration of fifteen people the course will run for fifteen weeks and will cost \$15, payable in advance. One hour classes will be held on Thursday nights starting at 5:30 on Feb. 5, 1953. Place to be announced later. Registration and payment for the course will take place Tuesday and Wednesday, Jan. 27-28, between 12:00 and 12:30 in the Recreation Office.

On the French side the interest expressed was quite diverse with a majority asking for elementary French. Considering 15 people as a minimum registration for a course we still need six or seven more people for a course in elementary French. These comments can be considered as a repeat notice to see if there is additional interest in starting a beginning French class. If there is, please call A. Christoffersen Ext. 2178 by Thursday, January 29, 1953. If there is enough response we will undertake to organize this class.
