BROOKHAVEN EMPLOYEES RECREATION ASSOCIATION

VOL. 5, NO. 33

Upton, New York

MARCH 30, 1953

EMPLOYEES' DAY Saturday, May 9th.

VISITORS' DAY Saturday, May 16th.

Two events of interest to all employees are currently being planned for the month of May.

Saturday, May 9th, is being designated as EMPLOYEES' DAY. On that day, the Laboratory will be open for visiting by all employees and members of their immediate families. Many of you visited the Laboratory with your families on the last Employees Day which was held in January of 1950. We hope that all of you will avail yourselves again of this opportunity to see and learn more about the Laboratory and its many facilities. An interesting and informative program with this aim in mind is being planned.

Attendance on EMPLOYEES' DAY must be restricted to employees and members of their immediate families. However, other relatives and friends will be welcome to visit the Laboratory on VISITORS' DAY which will be held on the following Saturday, May 16th.

Further details about both of these days will be announced later. The purpose of this notice is to enable those who are interested to keep these dates open.

*Ofs won play off

BIRD WATCHERS

At least twelve people have signified an interest in starting a Bird Watchers Group. The first organizational meeting will be held Thursday, April 2, at 5:10 PM in the Research Staff Building Lounge. It will be a very short meeting for the purpose of establishing a time and place for regular meetings of the group. Everyone is welcome. For information Call Ext. 391.

CLASSIFIED

LOST

Mrs. Goudsmit lost a pair of rather long, black-cotton gloves and a maroon Parker pencil while she was here working for the Holland Flood Relief. If you know where these might be, please contact Extension 2333.
