## SOCIAL ACTIVITIES GROUP

The second BNL dance for this summer is now over and the BERA Social Activities Group reports that they were not only fun to plan and attend -- but both were successful. Now -- what next? We'd like to know what you, the employees, would like in the future. Parties? Dances? When? What kind? We'd also like to have the names of all persons interested in joining the Social Activities group.

We are your committee and we enjoy planning, decorating, attending and even the cleaning-up can be fun! Why don't you join us or at least give us your ideas? For suggestions, volunteering, etc., contact Pepper Dutcher, Ext. 301-30.

## BOWLING

There will be a meeting of Bowling captains the week of Labor Day. The exact date will be announced in the next issue.

## SWIMMING POOL AND GYMNASIUM

The swimming pool is now closed. The gymnasium hours for September will be:

Mon-Thurs - 11:30-6:00  
Fri - 11:30-5:00
