"JOAN OF LORRAINE"

Theatre - June 3 and 4 - 8:15 p.m.

Sunday, Memorial Day in the United States, was in France the Feast Day of its patron saint, Joan of Arc, commonly known as "The Maid", who on that day in 1431 was burned at the stake in the market square of Rouen. This Thursday and Friday, the Theatre Group presents Maxwell Anderson's recent play about Joan, which relates her career and principles to us today. Pepper Fluke, our Joan, has been inspiring the cast just as the original Joan inspired her own soldiers. We think she and the whole cast will inspire, entertain and please you. Tickets, \$.75 each, can be purchased from Theatre Group representatives, the Recreation Office, or at the theatre before the performance. The curtain will be at 8:15, Thursday and Friday, June 3 and 4.

The article for the Bulletin Board last week regrettably omitted the names of our indispensable electricians: Janet Leeds (Biology), Lewis Gidez (Medical) and Lynn Paegge (Biology).

UPTON RIFLE AND PISTOL CLUB
