CAMERA CLUB

The Camera Club will hold its opening Fall meeting on Wednesday, September 21st at 8:30 in the lecture hall. Two Eastman-Kodak color sound films, "Its a Snap" and "Quality in Photographic Lenses," will be shown. The first emphasizes the importance of getting pictures when they happen and depicts a variety of representative picture-taking situations. It contains tips for beginners and is intended primarily for use by groups interested in fundamentals of picture taking. The second describes the processes involved in making the finest photographic lenses.

The Camera Club will sponsor a photographic slide contest during the month of October. Plans for this contest will be discussed at the September meeting.
