## WAINWRIGHT TO SPEAK AT LABORATORY DEC.27

The Brookhaven Chapter of the Federation of American Scientists will have Representative Stuyvesant Wainwright as speaker at its December 27th meeting at Brookhaven National Laboratory. Non-members are always welcome at the Federation's meetings and this will be particularly true of the December 27 session. Mr. Wainwright's topic will be "Science and Government" and everyone interested is cordially invited to attend.

The Federation is a national organization of scientists and engineers concerned with the impact of science on national and world affairs.

The meeting will be held in the Research Staff Building of the Laboratory at Upton; it will begin at 8:30. Arrangements will be made to provide passes for those who are not employees of BNL.

## BERA CONCERT POSTPONED

The concert originally scheduled for Jan. 5 (Chamber Operas) has been postponed and will probably be presented on Wed., Mar.21. Subscribers should make a note of this change on the back of their subscription tickets.

The next concert will therefore be the Trio di Bolzano on Wed., Feb. 1st.

## TELESCOPE MAKERS of BROOKHAVEN

There will be an information meeting of the Brookhaven telescope makers on Wed., Dec. 22, at 12:20, in Room 1, on the second floor of the Administration Building. There will be given a brief outline of the steps in the telescope making process; anyone who doesn't know exactly how a telescope is made will be given the facts. The essential equipment will be discussed and there will be a report on progress towards lining up basic supplies and getting the group to work.

Please come if you are now or have ever been a telescope enthusiast. Advice of old experienced grinders will be welcomed.

## COURSE IN DIFFERENTIAL EQUATIONS

Anyone interested in taking a course in Differential Equations at the Lab during the spring semester please call Ext. 2334.

## GYMNASIUM HOURS

Because of Christmas Parties being held in the Gymnasium, the Gym will be closed for other Activities Dec. 16 - Dec. 30.
