MONSIEUR VINCENT on Monday, Aug. 20.

On Monday, August 20 in the Lecture Hall at 8:30 P.M., the BERA Film Study Group will show Monsieur Vincent with Pierre Fiesnay in the title role. Winner of the Academy Award as the year's best foreign film, the picture is a story of Vincent de Paul, the French curé who in the 17th century devoted his life to "the poor, my brothers & my masters" yet said just before his death, "but I wasted so much time in sleep." Directed by Maurice Cloche. Admission 50 cents.

PICTURES OF RUSSIA

Due to many requests, Keith Brueckner's slides of Moscow, Leningrad, and the Moscow countryside, taken during the two week International Conference in Moscow on High Energy Physics, will be shown again Tuesday, Aug. 21 at 8:30pm in the Lecture Hall. Some additional new pictures will be shown. Everyone is welcome.

PHYSICS GRADUATE COURSES

Those interested in taking Quantum Mechanics and Advanced Electricity and Magnetism through the Hofstra College extension program at Brookhaven starting this September, call Ext. 369.
