FEBRUARY 28, 1956

HARVEY

Attendees for theatre parties, filler-uppers for theatre seats. In short, an audience....It will be informal, just come as you are. When? Why, this Thursday and Friday, March 1 and 2, at the Theatre. Around 8:30....you know how these things are.

There are two kinds of tickets this year: the 75¢ ones are for adults, but we have borne in mind that this is the sort of entertainment likely to appeal to children-sophisticated children, that is - and not wishing to impose an undue financial burden on them, we have established a 25¢ ticket for the youngsters. This ticket will be sold under the honor system...anyone claiming to be a child will be honored at two bits.

And anyone returning a certain old brown fedora to its rightful owner (hat may be identified by certain earmarks) that person will be entitled to an especially fine seat. See HARVEY NOW. THIS OFFER NOT TO BE REPEATED.

Buy your tickets to "HARVEY" from the following authorized agents. Remember to look for the sign of the smoking rabbit!

TELESCOPE MAKERS OF BROOKHAVEN

TIME: 5 PM on Tuesday, February 28

PLACE: Room 6 on the second floor of the Administration Building

Fred Stoffal will continue this series of talks that are an introduction to astronomy. His topic will be the historical development of astronomy...from horoscopes onward. Those who attended the demonstration of the planetarium are all invited to return; everyone with an interest in the stars will be most welcome.
