ADD TECHS

SLAUGHTER STAFF

By Bill Walsh

The ADD Techs, a worthy team, consisting of such notable players as Dave Thomas, Arty Dick, Howie Vetter, Frank Toth, Walt Jacobs, et. al., soundly defeated the ADD Staff (just up from the minors), a team hastily hatched with good intentions and composed of such players as Irv Polk, Charlie Gould, Bob Phillips, Gary Cottingham, Mike O'Shea, and Locomotive (Buzz) Chertok, etc., in the first football classic of the season.....(Pardon me).....(oh.....OH! !)...that should have been, the last intra-departmental SOFTBALL shambles of the season. The score, 19-11. The Staff was managed by the very same capable fellow, Ted Constant, who piloted the regular ADD team to the cellar this year. Alex Plaza maneuvered the Techs, in a vengeful manner, to show the Staff that their first game was just beginners' luck. Both teams were powerful on the offensive——but the most offensive of all was Tom Coyle, the Umpire??

Swimming Pool

A successful summer season at the Laboratory Pool was completed August 29. More employees and their families used the facility and attendance figures for the day, month and season, broke all previous records. During the month of **September** the pool will be closed. However, plans and a schedule are now being drawn up for the winter season, which will begin in October. So don't put your bathing suit in mothballs.....watch the Bulletin Board for more details.

"Out of this World" and back

The annual summer dance which was held August 23, was enjoyed by a crowd of over two hundred. The **Wayfarers** provided heavenly strains in a celestial atmosphere.

The committee would like to extend special gratitude to those who

DEATH IN THE EVENING

NUCLEAR ENGINEERING TAKES

4th STRAIGHT TITLE IN SOFTBALL

PLAY-OFF RESULTS

Wednesday. The Phoubars were eliminated in a sudden death match with Nuclear Engineering, 8-2. Defensively, both teams played good ball. The difference in the game was spelled out by Nuclear batters as they put together walks and back to back hits to score 5 big runs in the 4th inning.

Thursday. The tightest softball race BNL has seen drew to a close as Nuclear Engineering edged out a 5-4 victory over Metallurgy. The whole seasons' play was decided in the last frame as both teams entered the 7th inning tied 4-4. A single and two errors resulted in the 5th Nuclear run, which proved to be enough.

Trophies were awarded after the ball game to the still-champs.

BNL TENNIS TOURNAMENT RESULTS

Mens' Singles. W. (STONEWALL) WALKER entered the final round, after experiencing just a little difficulty with Al Prodell, whom he beat 6-2, 6-3. Dave Fox, playing in his first BNL tourney never had a chance as Walker breezed by him to take the championship 6-1,6-0.

Mens' Doubles. WALT MERKLE combined his experience with W. WALKER'S almost faultless play to take straight sets 6-2, 6-3, and the championship away from finalists P. Palmedo and Dave Fox.

worked so hard in making the dance a success. Marianne Kugler did a fine job of organizing the dance, along with Rudy Hass, Paul Kienle, and Joan Steuber, who were in charge of the decorations. Don David made the wonderful satellite and backdrop. There were also many others on hand to help with the preparations. Thanks to all.
