Barbecue Aftermath

A crowd of 150 braved the menacing clouds and were rewarded with an evening of food and fun at Tuesday's barbecue. Enthusiastic summer students and a few tired old hands gathered all the goodies for the linestanders with their empty plates and full cups. The quick disappearance of hamburgers and frankfurters may be attributed to the cooking prowess of Neal Lark, Bob Bird, and crew and to the condition of the guests by the time they reached the barbecue pit. Special gratitude is extended to George Weiss and his set-up and clean-up committee; to Marianne Kugler, Ted Constant, Harvey Marshak, and Gordon Danby, for their general assistance in organizing the affair; to all those not here mentioned by name, who helped make the barbecue a huge success. Thanks one and all. Barbara Garnier.

Square Dance

Swing your partners one and all! On August 8th, Paul Hunt and his "Rock Candy Mountaineers" will provide the music for a square dance, starting at 9:00 P.M. in the gymnasium. A small charge of 75¢ will be collected at the door to cover the cost of the band. Refreshments will be on hand, so come and allemand. Make a date now for next Thursday.

Supplemental Insurance Questionnaire

The announcement on Supplemental Insurance for employees on the weekly payroll was sent to all

departments July 12th. Many of the questionnaires have been returned but a large majority has not been received as yet. As stated in the original announcement it is necessary under insurance company procedure that 75% of the employees participate.

If you have not returned the questionnaire to Personnel Services, Bldg. T-185, please do so as soon as possible, even though you might not be interested in the additional insurance.

It is possible that some of you did not receive the announcement. Additional copies may be obtained by calling Personnel Services, Ext. 2107.
