NOVEMBER 13, 1957

HELP!!

All persons are cordially invited to come down to the gymnasium on November 18th - 23rd, to assist the decorating committee in getting ready for the gala Thanksgiving Dance on November 22nd.

If you find yourself with a few hours to spare any night that week, drop down—we'll be glad to see you! (Free beer and soda to all helpers).

BOWLING BITS

Monday: Heavy bowling in the last game with P. Peters 200 game tops, and a team series of 854, enabled Fire Dept. 1 to take 3 points from the Reefers. Glass House Gang retains 2nd place with three close wins and 4 points from the Operators. J. Gilmartin and Company had a tough time squeaking out two games and 3 points from the Metal Men. High for the night was N. Carter's 197.

Wednesday: The Fire Dept. sparked by that man, Takats again, took 3 points from the front running Phoubars (who had to roll a team total of 973 to salvage 1 point). S. Takats set two new highs as he upset 244 pins in one game and 604 in the series.

Thursday League No. 1: A 211 game by Bob Wessel and a 224 mark by D. Hildebrand set the pace for the Technicians to take 4 from Biology and close in on the Mixers who lead the league by only a 1 point margin.

League No. 2: G. Fales and his Tee-Two-O-Nine crew put an end to the Loopers' winning streak by beating them out of four points. In a battle to stay out of last place the Woodbutchers took advantage of E. Bailey's Joy Riders as they took 3 straight games. W. Milian's 204 was high for this contest.

LADY KEGLERS COLUMN

Election Day activities cancelled the Ladies Bowling this week. After rolling 4 weeks of the schedule the standings are:

	WON	LOST
Biology	9	3
Odds & Ends	9	3
Chemistry	7	5
H.P.	7	5
Medical	6	6
All Thumbs	4	8
Nightingales	4	8
Handicappers	2	10

THANKSGIVING DANCE

Like an opportunity to dance to a six piece band—one of the liveliest on Long Island for only one dollar per person (including set-ups)? Bring your wife or best gal to the Thanksgiving Dance on Friday, November 22nd.

The Star Lyters will play from 9 'til 2 in the gymnasium under a canopy of autumn colored streamers. Other decorations will center around pumpkins, cornstalks and turkeys.

Don't miss it—get your babysitters **now** and be on hand to dance to the music of the "Star Lyters".

USE OF RECREATIONAL FACILITIES FOR DEPARTMENTS

The facilities of the Gymnasium, and Swimming Pool well be made available to any department upon request and reservation. Groups wishing to take advantage of this, could plan an occasional recreation night during the winter season, on the order of a summer beach party. The program for the evening might include any or all of the following:

- (a) **Eat** - (kitchen facilities available at gym). Previously prepared food (sandwiches, etc.) could be arranged for by a department committee.
- (b) **Gymnasium** - Inter department games (Volleyball, Basketball, Badminton, etc.)
- (c) **Pool** - Group could make use of the swimming pool during or after games.
- (d) **Music - Dancing** - Amplifier, turntable and records are on hand for use during or after activities.

WINTERIZED LABORATORY MOTOR VEHICLES

All Laboratory motor vehicles have been winterized with a permanent type of anti-freeze.

Water should not be added to the cooling system at any time. If any radiator leakage is noticed, the Laboratory vehicle should be returned immediately to the Motor Vehicle Maintenance Shop, South Railroad Street.

THEATER GROUP MEETING

The theater group will have a general meeting on Monday, November 18, at 8:00 p.m. in the theater. A progress report on **The Reclining Figure** is in order, and last minute details will be cleared up. A decision on the spring production must also be made; so don't be the missing member of a quorum.

The Make-up Workshop will be held immediately after the business meeting. Earl Snow of Port Jeff will be there to give instructions.

Because of the ambitious program for the evening, we hope to begin promptly at 8:00.
