VOLUME 11 - NUMBER 4

AUGUST 19, 1957

## BNL Softball League

### Results Last Week

Tuesday — Metallurgy in a "Do or Die" contest swamped B. Guidone's Reactor crew 15 to 4.

Wednesday — Nuclear Engineering maintained their position in the standing by virtue of a present from Biology who could not field a team. Nuclear Eng. 7 - Biology 0.

Thursday — Phoubars 13 - A.D.D. 6 Standings

	W	L
1. Phoubars	11	3
2. Metallurgy	10	4
3. Nuc. Eng.	10	4
4. Biology	7	7
5. Reactor	3	12
6. A.D.D.	2	13

### Games Next Week

Tuesday - Phoubars vs. Metallurgy  
Thursday - Nuc. Eng. vs. Biology

## Attention Bowlers

If you have at least five people from your department who would like to bowl, pick up an entry blank and join the BNL Bowling League. Leagues are now being formed, but there is plenty of room for new teams in both the men and ladies division. **Entry Blanks** are now available at the Recreation Office, Bldg. T-461.

## Engineering Review Course

A Professional Engineering Examination Review Course will be given at the Agricultural and Technical Institute at Farmingdale, N.Y., during the fall term starting Sept. 30. Registration will start Sept. 18. For additional information, please call, R.L. Vogt, Personnel Services, Ext. 2107.

## B.E.R.A. SUMMER DANCE

August 23

This coming Friday evening, August 23, the gymnasium will be the scene of a summer dance entitled "Out of This World". Since this will be one of the last social events to end the summer season at Brookhaven, a special invitation is extended to all our summer students on site to be sure to attend.

The admission is just \$1.00 per person. The music will be provided by a five piece band, **The Wayfarers**, starting promptly at 9:00 p.m. Ask your favorite guy or girl now. Don't miss it!

## Volunteers Needed

If you find yourself with a free evening on Tuesday, Wednesday, or Thursday, Aug. 20 - 22nd, come down to the gym and put your artistic talents to work helping the social committee decorate for the coming BERA dance, August 23rd. You can listen to good music and all workers will be provided with free beer and soda, so come on down to the gym and join the fun and at the same time make each one's work a little lighter. Decorating will begin at 7:30 p.m. each evening.

Decorating Committee Members: Esther Sprenkel, Chemistry; Don David, Physics; Rose Pappalardi, T.I.D.; Michael O'Shea, A.D.D.; Barbara Garnier, Physics; Ted Constant, A.D.D.; Marianne Kugler Physics; Harvey Marshak, Reactor; Frank Salzano, Nuc. Eng.; Rudy Hass, Reactor; Rita Straub, Med.; Wolfgang Henkes, Chem.; Bill Scott, Med.; Tom Coyle, A.D.D.; Neal Lark, Chem.; Jim Powell, Nuc. Eng.; Joe Cuevas, Physics; Paul Kienle, Health Physics.

## Pitchers Duel

The Purchasing and Warehousing Divisions played an exciting nine inning tie softball game that featured exceptional defensive play on both teams. The glove work of Bert Smith at first, George Maxey at third and Mike Helfant in right field was outstanding in support of Charlie Keenan's pitching as he was locked in a duel with Manny Pedroso of the Warehouse Team. He, too, received exceptional support from "Scooter" Walsh at short, Phil Borzi at third and Steve Palermo who blanketed first base. "Whistle" Swezey played his usual whistling game in the outfield. Offensively both teams seemed to be rather weak in spite of the umpiring of Jim O'Brien. The score? Oh - that was reported as 9 to 9.

## Naval Research Co. Meeting

Free and interesting movies for all. "The Case of Comrade T" and "You Never Can Tell". Open meeting of Naval Reserve Research Co. 3-9, Research Staff Lounge, Wed., August 21, at 7:30 p.m.
