BOWLING BITS

WEDNESDAY: PBC

S&M and the Techs are tied for 1st place. S&M maintained their pace as every man on the team rolled good scores. The team compiled a total of 2537 pins and beat the Irregulars 4 to 0. Steve Palermo 171, 189 & 205, 565 series; Charlie Boulin 174, 189, 510 series; Phil Borzi 217, 505 series; Lou Adamec 202, 494 series; Ben Serry 173. J. Cantwell bowled a 191 for the losers. Techs poured on the pressure as they beat the "off stride" Metalliks 4 to 0. Dick Larsen 182, 530 series; Ed Heins 181, 492 series; Bob Dvorak 190, 485 series; R. Hildenbrand 180, 182, 498 series.

Woodbutchers, with Wm. Ruppert rolling 205, 491 series; Walt Milian 497 series, took the Down Unders 3 to 1. Biology ran into tough luck and lost to Fiscal 4 to 0. Jerry Tiller had another good evening with a 504 series. Scotches took 4 points easily from the Loopers. Hot Lab took the Bismuth Kings 3 to 1 as Chick Williams rolled 189, 199, 530 series. Bill Matus rolled a 498 series for the losers. Polsecs " nabbed" 3 points from Chemistry and went to 3rd place as George Kennedy made his "debut" fro the security team. Again, Remy and Lento came thru with 500 series each to pile up points. Jim Walsh bowled a 197 for Chemistry. Nuclides split with the Fire Dept. Nuclides won the last game by 2 pins!

WEDNESDAY: MAGGIOS

Chain Gang 4 - Dirty Birds 0

The Ptuis stayed in the top spot by having a bye.

The Designers moved up closer to the top by downing the Fiscal team 3½ to ½. The Big games for the Designers were Ed Sperry with a 211, 585 series and T. Rocklein with a 200, 567 series. For Fiscal A. Saletros had a 182 and H. Bohn 181.

The third place Phoubars are having a tough time getting there. The ADD Techs with a help of a 92 pin spot certainly bowled them over 3 points to one. High man was Red Gardenier with a 174, 496 series, while for ADD Techs the only high game was 161.

The Chain Gang seems to be moving a bit as they downed the Dirty Birds 4 to 0. A. Brems sparked the Chain Gang with a 210, 525 series. For the losers P. Pion led with a 203, 507 series.

LADY KEGLER COLUMN

Wednesday night came and went. The Frisbees are still in 1st place by taking 2 from Medical with the very able help of their captains' (Phil Mirabelli) 189 - 442 series.

Health Physics walked away with a complete, overwhelming victory over Biology. No small part of this was due to Pat Majkowski's 182 - 489 series and Rosa Hughes 160 - 431 series. This victory brings them up to a tie for 2nd place with the Odds and Ends who lost 2 to Chemistry. Nightingales took 2 from the Allthumbs, and lost 2 to Biology on their make-up game for the week of 11/26/58.

High games for the night: Phil Mirabelli, 189; Pat Majkowski, 182, 164; Rosa Hughes, 160; Grace Siemen, 160, 163; Jody O'Connell, 159; and Chris Podlaski, 155. G. SIEMEN, Secretary

SET SHOTS

Metallurgy once more was held to a tight margin for the first half, but the defending champions poured 30 points through the hoop in the second half to smash Biology 45-27. Brandon paced Metallurgy with 12 points, and Klamut and Lanyi each registered 9. For beefy Biology W. Ray scored 8 points with his favorite jump shot, and R. Yount added 7.

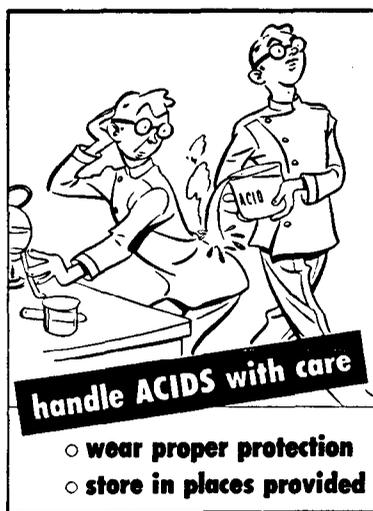

The Oldtimers remained in a tie for second place with a 36-20 triumph over ADD. Kenney bucketed 6 field goals for the Oldtimers, while Murphy and Flood both tallied 5 points for ADD. With the prospect of several absentees among the Oldtimer's for this week's encounter with Metallurgy, it appears that the second place tie will be broken.

The mighty Phoubars continued their training exercises for the next meeting with Metallurgy by outscoring Chemistry 42-31. W. Reems connected for 4 field goals and 13 of 16 free throws. A. Carstens contributed 12 points to the Phoubar attack. Lark of Chemistry scored 18 points, about 60 per cent of his team's total. A. EDMUNDSON
