BULL'S-EYE

The Laboratory Police Group on September 9 entered a four-man pistol team in the annual Police Association of Suffolk County shoot held at the Brookhaven Township Police range at Medford, New York. It was the first entry of a Laboratory police team in outside competition since the establishment of the guard force. It is a distinct pleasure to report that this recently organized and novice team competing against well-established pistol teams from the County Sheriff's Office, L.I. Parkway Police, District Attorney's investigators offices, and from numerous municipal police department's throughout the County walked off with a handsome trophy for team score, plus two special prizes for individual excellence.

These four individuals who so ably represented the Laboratory are: Reading left to right, CAPTAIN ADAM PASKIEWICZ, SERGEANT WILLIAM WOCEL, PATROLMAN JOSEPH CONLEY, and CAPTAIN FRANK BUGALA. Each of these men is to be congratulated for their individual effort and interest in a team enterprise which has had a favorable reaction throughout Suffolk County.
