THREE FORBIDDEN STORIES

The film for the week to be shown on Monday, July 28, tells of three young women (played by three of Italy's most beautiful and talented young actresses) who recount their life stories in a hospital ward after being injured in an accident. Their tales are adult, intriguing and excellently acted.

BNL SOFTBALL RESULTS

Tuesday: Metallurgy 8 - Phoubars 5

Though the scores wouldn't seem to indicate it, tonight's game was predominantly a pitchers battle between Jones of Metallurgy and Scully and Garret of the Phoubars. The Phoubars lost with 5 runs to the Metalmen's 8. Cross and Scully can be credited with home runs.

Wed.: Potsareebies 17 - Cosmotron 7

There's Joy in Pottsburgh Tonight!! The Potsareebies won their first game. They came out on the field tonight - took the bull by the horns - and proceeded to beat the living daylight out of - (ahem!) - Cosmotron. The score 17-7. Diogardo reluctantly admits - even though he wasn't there - that his Cosmotroners couldn't hang on to the ball and errors were the prime contributing factor to their loss.

Thursday: Biology 4 - Dirty Sox 0

In a desperate attempt to cause Biology to lose at least one game, the Dirty Sox pitched Dave Thomas against them with one of his better games of the season - however, he did let 4 runs get by him while Red Carstens, pitching for Biology, didn't allow any runs - to chalk up for himself a shutout. Final score was 4 to 0 favor Biology.

**TRACK & FIELD EVENTS
ATTRACT 73 CONTESTANTS**

The track and field events held at the softball field, last Thursday, called 73 members of the younger set to the post. This was another of the "specials" provided weekly in place of one of the gym sessions.

The contestants made an enthusiastic group, which included both boys and girls between the ages of 6 and 14. Activities such as "a softball throw for distance", 50 yd. dash, 100 yd. dash, standing broad jump, etc. were typical events. The future "olympic stars" competed in their own classes - determined by sex, age and size. Points were awarded for: 1st place (5), 2nd place (4), 3rd place (3), 4th place (2). Trophies were presented to youngsters with the greatest accumulation of points. Winners on Thursday were: Robbie Reynolds (7 yrs.), Tim Hart (8½ yrs.), Gladys Rech (8 yrs.), Helen Stark (10 yrs.), Mary McCafferty (11 yrs.), and Jon Hart (10½ yrs.).

The gym sessions continue to attract boys and girls. To date there are 167 registrants with more expected. Enthusiasm for the sessions stems from the
