VOLUME 11 - NUMBER 34

MARCH 26, 1958

BOWLING BITS

Monday: Despite G. Hardman's 572 series, one a 234 game, all was not well, as the rest of the team lived up to their name, the "Splitters", allowing the Glass House Gang to squeeze out 4 points. This puts the "Irishmen" (O'Fasano included), in third place, 3 games out.

How they do it, I don't know, but the Metal Men are still in there pitching as such unpredictable men as "Moose" Milau come thru in the pinch. This time it was a 3 to 1 decision over the Reefers.

Behind M. Kinney's 211 game the Fire Dept. I swept to an eventual 4 game win over the operators giving them another tie for first with the M.M. Two weeks remain in the season, but next Monday may tell the story, as the M.M. and Splitters lock horns in a crucial match, and the Dept. take on the last place Reefers. T. HOLMQUIST.

Wednesday: An inspired Ptui team sparked by Dick German and not-so-handsome Budd Pollack took the measure of the Design Dept. to the tune of 3-1. Ed Sperry's 590 series was not enough to make up for a deficient team. The pros of the Phoubar team did not hesitate to take advantage of the situation and trampled the Dirty Birds 4-0; Dick Vogt's 232 helped in this stam-pede.

The Fire Dept. pushed Purchasing into a tie with the Ptuis, with a 3-1 count. F. Peters 211 was high for this match. Fiscal took four from the ADD Techs who once again managed to stay out of last place. CARL CANTERA

BNL BOWLING LEAGUE STANDINGS

- April 3 Thursday Leagues and Ladies Sweeps**
- April 7 Monday Sweeps**
- April 16 Wednesday Sweeps**

"LI'L ABNER" and

"NEW GIRL IN TOWN"

Discount tickets are now available for the above Broadway productions to employees of the Laboratory. The Sports and Play Club Plan has sent us exchange tickets for "New Girl in Town" which will be honored from now until April 17 for discounts of 50% on performances Monday through Thursday evenings and Wednesday matinees.

Tickets for "Li'l Abner" will be honored from April 13 through April 24 for Sunday through Thursday evenings at a 50% discount. It is suggested that these tickets be exchanged at the box office well in advance to assure better accommodations.

See G. Sabine at the Recreation Office, Building 461, for tickets.

LADY KEGLERS COLUMN

Well, here we are again, back at the same old stand and, we might add, with the same old news. First place is still tied (somebody must be cheatin'). The medical team took two from the Handicappers with the very able assistance of R. Stephani's 198 game. Odds and Ends rolled a 791 series, sparked by R. McCann's 173 and G. Siemen's 198, to help them take two from Chemistry. Third place tie, however, was broken last night when the efforts of the Biology team were rewarded with a three game win over Health Physics. Nightingales moved up one place by clobbering the All Thumbs for three games; Marty Heine helped this success along by converting the 6-7-10 split - nice going.

Other high games for the night were R. McCann's 176, Marty Heine's 162 and G. Siemen's 169.

Don't forget to stay tuned to the same channel next week, there's bound to be a change sooner or later.

Note to the Men's League: Don't forget you've been challenged by the winning Ladies League team. So far we haven't received an answer or acceptance. From the look of the close fight going on for first place, whoever takes it will give the Men's League champions a run for their money.

April 3, is the date to mark on your calendar for the dinner given by the alleys starting at 6:00 p.m. and followed by the SWEEPSTAKES.

GRACE SIEMEN

BADMINTON TOURNAMENT BEGINS

Put your shotgun away! Those birds you see flying around the gymnasium belong to the entries in the Badminton Singles Tournament which is about to get underway this week. The draw, rules and schedule have been completed and are posted at the gymnasium. All entries, who have signed up, are requested to check this schedule to determine opponent and dates. Results of matches will be reported from week to week in the Bulletin Board.

MODELS

The BNL Camera Club will hold a flash photography session Tuesday night at 7:45 p.m. at Building 317 (Apt. area Recreation Building). There will be three models in costume. There will also be a short lecture on flash photography before the bulbs start popping.

You can obtain your No. 5 bulbs, blue and white, from the club at a reduced price. Please be on time - bring plenty of color and black and white film - with your cameras and flash equipment.

R. ABBOTT

SPRING SKIING

Plans have been made for a ski weekend at Stowe on April 1. Everyone is welcome, beginners to experts, so pack up your Bermudas, sun tan oil, skis and let's be off. For further information call Don David, Ext. 791.

All those interested in forming a Lapidary, Gem and Mineral Club, please call S. Rottenberg, Ext. 458.

BASKETBALL

Biology won over Nuclear 32 to 26 in a battle to stay out of the cellar. Bio had only 5 points in the first half but managed to get a fast break going in the second half. The game was marred by bad passing and inept ball-handling from both teams - oh well, it's only a game. Marshall was high man with 12 points. Nuclear's scoring was evenly distributed.

The Phoubars stayed in the running for a tie for first place after their game with Health Physics. The score was 52

to 36. The game was much closer than the score indicates. In the last quarter H.P. was only 3 points behind, then the Phoubars put together a fast break and won going away. Cole for H.P. played excellent ball, and was high-point man with 19 points. Garrett got 14; Sabine and Frei sank 11 each. If the Phoubars are to tie for first place and be in a play-off then Health Physics must win this Tuesday over Metallurgy.

In the event Metallurgy cinches the championship this week, the plans are to hold an all-star game the following week in place of the play-offs. A few players from each team will be selected by the captains in a last ditch effort to destroy the M.M. winning streak.

D. STEFFENSEN

Standings

	Won	Lost
Metallurgy	5	0
Phoubars	4	1
Health Physics	2	3
Biology	2	4
Nuc. Eng.	1	4
