VOLUME 11 - NUMBER 26

JANUARY 29, 1958

## BOWLING BITS

The Wednesday night bowling league again got back into high gear last week after a layoff of 5 weeks. The Phoubars showing no ill effects, stopped the Designers winning skein by a 3-1 count, regaining first place by a bare margin of 1 game. Tom Marrion led the way for the victors by rolling a 604 series to tie S. Takats for the league high game series on the strength of 182, 189 and 233 games. Third place Fire Dept. fell further off the pace by losing a hard fought match to fourth place Fiscal (the last game by only 8 pins) which resulted in the teams reversing their respective positions. Purchasing meanwhile took the measure of the ADD Techs and moved into fifth place which dropped the Techs into a sixth place tie with Ptuiss who battled to a 2-2 draw with the Dirty Birds. E.S.

**Thursday Night League No. 1:** The Mixers, rolling a good closing game on Cardamones' 196 and Capt. Walsh's 200 game managed to garner 2 points, getting total wood by one pin from the T. Totalers. The former "Cellar Dwellers", Fiscal No. 2 took 3 points from the second place Latticites on Benedicts 220 game, 562 series. Porter, of the Latticites a "TV" 242 game, 546 series. The Metalliks paced by Brodsky's 216 game took 3 points from the Biology gang. Steady bowling by the Technicians, Hildenbrand, 201, 534 series and Larsens 537 series helped them take four points from S&M. High man for the losers was L. Adamec, 524 series. G.T.

**Thursday Night League No. 2:** The Hot Lab gang helped by Macauley's 198 game, 479 series increased their lead to 5 points by taking 4 points from the Joy Riders. The Loopers took 3 points from the Bismuth Kings to move into second place. Malloy, Loopers, was high man with a 229 game, 573 series. The Nuclides and Woodbutchers split 2 and 2 to maintain their respective positions. The sixth place "One Point" Toolmakers took 4 points from the T209ers. High man for the losers was Perry, 198 game and 504 series. G.T.

## BEWARE MEN BOWLERS!!

It is now just about mid-point in the bowling season and the lady keglers would like to **officially and publicly**, issue a challenge to the men's champion team whomever it may be. **On a handicap basis**, of course!

## N.Y.S. UNIVERSITY COLLEGE

On Friday, February 7, Dean Leonard K. Olsen will present a luncheon talk at the gymnasium at 12:15. This lecture should be of particular interest to those who have children in high school at present who are planning to further their education, and anyone desiring to take courses for college credits in science or engineering. The N.Y.S. University College is at present located at Oyster Bay, but will be moved to Stony Brook.

Anyone wishing to have sandwiches and coffee provided for them at Cafeteria cost are asked to call Marianne Kugler, Ext. 424. At this time also, there will be an election for members of the 1958 Executive Committee of F.A.S. All people who are interested are cordially invited to attend.

## FEBRUARY'S FILM - GAME OF LOVE

The Film Study Group's next presentation will be the mature French film adapted from Colette's *Le Blé en Herbe* starring Nicole Berger, Pierre-Michel Beck and Edwige Feuillère.

Entitled "The Game of Love" the film has been described as an exquisitely tender and touching drama of adolescence emerging into youth. Directed by Claude Antant-Lara, the plot concerns the 16-year old Paul and 15 year old Vinca who discover the "unknown illness of love" one summer in Brittany when an older woman comes to live in a house nearby.

**MONDAY, FEBRUARY 3    LECTURE HALL    8:30 P.M.    ADMISSION 50¢**

## LADY KEGLERS COLUMN

**Flash!!!** High game for the ladies league was well trounced, clobbered, etc. last night, with laurels going to Eleanor Pitti of the Biology team with a 202. Congratulations Eleanor!

Second place tie between Medical and Biology was broken with Medical taking two from the Handicappers, putting them one game ahead of Biology who lost two to Health Physics.

Some outstanding games for the night were Marty Heine of the Nightingales with a 189; Trudy Neuhooff of the Odds and Ends with a 180 and Chris Podlaski of Medical with a 192. GR.S.

## GETTING PREPARED?

The time is growing short before the L.R.A. Masquerade Dance, Friday, February 14. Get your costume ready now and be on hand to jitterbug, waltz, polka, cha cha, rumba or whatever dance you like. The Laboratory Residents Association cordially invites everyone. Remember, the fee is only \$1.00 which includes all the beer or soda you can drink.

## TABLE TENNIS TOURNEY TO START

The rules and schedule have been drawn and play in the 1958 tournament is scheduled to begin the week of February 4 (next week). Entries will find a copy of the draw and regulations posted in the game room at the gym.

## SQUARE DANCE BIG SUCCESS

Approximately 84 people gathered at the Recreation Hall on January 21 for the first BERA square dance of the year. The Fearsome Foursome played superbly and entertained those who were not busy dancing by marching around on stage as they played "Dig for the oysters", Grape vine twist", and "Darling Nellie gray", with Vic Cohen and Willie taking turns calling the dances.

Everyone seemed to enjoy themselves and special credit is due to Jack Craig for setting up the amplifier and speaker system, Fred Timpe for making the square dance signs, and the Social Committee for taking charge of beer, soda and ice.

Another square dance is planned for Wednesday, February 26.

**PAINTS AND PAPERS**

New arrangements for the purchase of paints and wallpapers by employees through group buying have been completed. It is now possible for employees to obtain these supplies **directly** at a substantial discount. For information call George Sabine, Recreation Office, Ext. 391.

**BNL CAMERA CLUB MEETING**

The Camera Club will hold a meeting Monday, February 10. There will be a slide lecture on how to make enlargements. A discussion period will follow. All members are urged to attend.

R. ABBOTT.

- Lyonnais Potatoes                  Cream Style Corn
- Green Peas

**MICROMET**

The Micromet ordered by employees has been delivered and may be picked up at the Recreation Office, Building 461.

**BASKETBALL**

L. AUGENSTINE

Both Metallurgy and Biology tuned up for their big game this week by winning fairly easily. Metallurgy jumped off to an early 10-point lead over Nuclear Engineering which they maintained throughout the game as they led 22-12 at the half and finally won 48-37. Kuckacka's 16 points for Nuclear were more than matched by Lanyi's 16 and Kalmut's 15.

In the second game Biology led 23-6 at halftime as their defense held the Phoubars to 2 free throws in the first quarter and 2 baskets in the second. Although the Phoubars picked up in the second half Bio won going away 55-24. Sabine had 9 points for the losers and again 3 Bio men had at least 10 points. If Bio can win the big one this week the first half of the league will end in a tie, otherwise Metallurgy will win the first half with a 6-0 record.

Standings	Won	Lost
Metallurgy	5	
Biology	4	1
Phoubars	2	3
Nuclear	1	4
Health Physics	0	4

**CLASSIFIED ADS**

**For Sale**

ICE SKATES - Girls white steel-tipped figure skates almost new. Size 5. \$6.00. Girls red coat, good condition, fitted, size 12 to 14. \$5.00. Call T. Honnett, Ext. 577.
