VOLUME 12 - NUMBER 22

JANUARY 7, 1959

## METALLURGY DEFEATED

A two-year winning streak was snapped as the revamped Phoubars outclassed sluggish Metallurgy 34-27. The game was close only because the Phoubars repeatedly missed clear shots at short range. Reems led the Phoubars with 15 points, and Sabine scored 8. Lanyi and Hambly supplied almost all of Metallurgy's offensive punch with 13 and 8 points respectively.

Biology relied on superior rebounding and a fast breaking offense to defeat the improving ADD techs, 43-29. For the well fed Biology team, Ray hit for 12, Marshall 11, and Steffensen 8 points. Stohr and Guthke divided the honors for ADD with 9 points apiece.

Chemistry could not assemble a full team, and the game was forfeited to the Oldtimers. —A. EDMUNDSON

### Games This Tuesday

- 6:15 Chemistry vs. Biology
- 7:30 ADD vs. Metallurgy
- 8:45 Oldtimers vs. Phoubars

## BOWLING BITS

### WEDNESDAY: PBC

The Techs went into first place by trouncing the former league leaders, S&M, 4 to 0. S&M's big guns were strangely silent as the Techs rumbled on to victory with Ed Heins' 193, 189, 171, 553 series, and Bob Dvorak's 198, 170, 186, 554 series.

Polsecs gained third place by taking Fiscal 3 to 1. Frank Remiszewski won a turkey by picking the winning number in a free raffle donated by Al Suchotine, proprietor, Patchogue Bowling Center. Hank Weinman rolled a 203 and E. Amos 193 for the Polsecs. Harold Bates bowled a 193 for Fiscal.

Loopers knocked the Fire Dept. into 5th place by taking 3 points. Captain Al Oltmann bowled 194, 505 series to

lead his team to victory. Steve Takats had a 520 series for the Fire Dept.

Bismuth Kings with Bill Matus rolling a 534 series, took the Nuclides 3 to 1. Captain Isler's 189 in the third game saved the Nuclides from total defeat as they won by only two pins!

Scotches with J. Nocar's 207, 517 series, assisted by the steady bowling of Cermak, Johnson and Milau, defeated the Down Unders 4 to 0. Metalliks defeated Chemistry 3 to 1. Biology and Irregulars split, 2-2.

Woodbutchers came "alive" again and took Hot Lab 4 to 0 on Benson's 502 series and Milian's 513 series.

## LADY KEGLERS COLUMN

Due to the writer's laxity, this column has not appeared for a couple of weeks. We would like, however, to give our reader's a brief run-down on the last two weeks of bowling.

**December 10:** Jody O'Connell helped the Nightingales take 2 from Medical by converting the 2-7-10 split. Frisbees again took 3 with the aid of Dory Quappe's 167 game and Phil Mirabelli's 408 series.

**December 17:** Odds and Ends nudged out of 2nd place by Health Physics who took 3 from Chemistry. Odds and Ends lost 2 to Biology in spite of Helen Kelly's conversion of the 6-7-10 split. First place is still held, undisputedly, by the Frisbees. This miraculous team again took 2, this week from the Nightingales. Medical took 2 from the Allthumbs with the help of Irma Reilly's 168-443 series, moving the team up one spot to 4th. —G. SIEMEN, Sec.

## PROBLEM ANYONE?

Anyone interested in practice problem sessions for June Professional Engineering Exam (N.Y. State) please contact Ed. Potter, Ext. 543.

## HIGINBOTHAM TO TELL ALL!

### Report to be given on recent Geneva Conference on SURPRISE ATTACK

Our distinguished international negotiator, William A. Higinbotham of the Instrumentation Division has agreed to report on what goes on behind closed doors during an East-West Conference. Dr. Higinbotham was scientific advisor to the United States delegation and attended the six-week session of negotiations in Geneva.

The Federation of American Scientists, Brookhaven Chapter, cordially invites all interested persons to attend. Coffee will be served following the talk.

TIME: 8:30 P.M.

PLACE: Research Staff Lounge

DATE: Wednesday evening, January 7

For further information contact Marianne Kugler, Secretary-Treasurer, Ext. 602. —MK

## HUNTERS

A reminder to you that hunting is not permitted on the Laboratory Site nor may vehicles be parked on the Laboratory Site for use as headquarters for hunting off site. Dead game found in cars on site is presumptive evidence to the game warden and Laboratory Police that the game was shot on site. All land surrounding the Laboratory is posted and hunting prohibited.

## CRACK - SNAP - POP

### WATCH FOR

NEW ARTHUR MURRAY DANCE CLASS

NEXT BERA SQUARE DANCE

## CAMERA CLUB TO HOLD SPECIAL MEETING

Mr. P. Figgatt, Technical Representative for E.I. Dupont on Varigam Enlarging Paper, will give a lecture and demonstration on the use of varigam paper and filters. He will discuss some of the latest tricks and methods used in working with difficult negatives. A question and answer period will follow the lecture. This will be very interesting for those interested in enlarging and black and white photography.

Door prizes of packages of paper will be offered for those attending.

The meeting will be held at 7:45 p.m., Thursday, January 29 in the Recreation Building, Apartment Area. Everyone try to attend.

—RAY ABBOTT

### BNL SAFETY RECORD

23 Days Since Last Disabling Injury  
(Dec. 13, 1958 - Jan. 4, 1959)

### ICE FOLLIES - HOCKEY

Identification booklets are available at the Recreation Office for discounts to: Shipstad's and Johnson - ICE FOLLIES OF 1959, several NEW YORK RANGER HOCKEY GAMES and several NEW YORK KNICKERBOCKER BASKETBALL GAMES.
