

SLOW-BREAK BASKETBALL

It's time for your department to think about its entering a basketball team in our leagues which are now being organized. Plans are to start the season in early November. Entry blanks are now available at the Recreation Office, 3 Center Street. Entries must be accompanied by the team entry fee of \$28.00 and submitted by October 25. Entry fees will be adjusted at a later date depending on the number of participating teams. Don't wait and be disappointed - all it takes is seven men to enter a team. Last season eight teams competed in a fifteen week season with games at 7:00 p.m. and 8:15 p.m. on Tuesday and Thursday evenings. This season we're hoping for at least ten entries. With the additional teams the possibility exists of separating them into strong and "less-strong" leagues so that the competition will be evened out. Announcements of captain's meetings will be made shortly.

For additional information call the Recreation Office, Ext. 391, or the League Chairman, George Latham, Ext. 363.

If your department is not planning a team, call the Recreation Office and your name will be put in a players pool and distributed to the team captains.

THEATRE GROUP MEETING

Our next meeting will be held at 8:30 p.m. on Wednesday, October 2, in the Recreation Hall.

Synopses of four plays will be presented as candidates for our winter production.

1. Waltz of the Toreadors
2. Thurber Carnival
3. A Man for All Seasons
4. Write Me a Murder

PRESENTED BY

ED SAYRE
TONY NAPPI
BILL HILGER
JACK KELSCH

A final decision on the play to be chosen will be made at the end of the meeting by a vote of all the members.

Any newcomers interested in joining the Theatre Group are welcome.

ARCHERY CLUB

The Nimrods Archery Club, due to the hard work of many of our club members, has now almost completed their 14-target field course. The course will now be up for approval by the National Field Archery Association. When this is accomplished the tournaments may then be held on an official basis.

A work detail is planned for this Saturday, October 5th from 9:00 a.m. on. We hope all members will make an effort to be there in order that we can put the finishing touches on the field course.

There is much activity on the range now. Any new archers experienced or inexperienced are welcome to try their hand at this fast growing sport. You will be surprised at the challenge archery provides. Come out and join the fun.

SOLUTION TO CHESS PROBLEM

Pawn to Rook 8 = Knight... this is known as "grab theme" in chess. In a "grab theme," a piece of the opponent must be chased or captured before mate can be effected. In this game, if White can capture one of the Black Knights, Black will be forced to move the other Knight. The promotion of the Pawn to Knight completes the guard of all the squares available to the Black Knights. Then, Bishop takes Pawn mate.
