CHESS PROBLEM

In this week's problem, Black has a sure win with one of its pawns but a move away from queening. So the best thing for White to do is to try to get a draw. If you were playing with White in this position, could you draw?

NIMRODS ARCHERY CLUB

The winter season is with us once more. Beginning Wednesday, November 6, the weekly indoor shoot in the Gym is scheduled. It will be held directly after working hours from 5:00 to 7:00 p.m., instead of the late hour as in previous years. This change in schedule should make it possible for many to participate this winter. We are looking forward to a successful season.

RECREATION BUILDING LIBRARY ESTABLISHED

Arrangements have been made with the Suffolk Cooperative Library System to establish a library of current fiction, non-fiction and children's books in the Recreation Building on York Lane.

Containing a collection of 200 books, the library will be made available to all employees without charge. Beginning November 4, it will be open Monday through Thursday evenings from 5:00 to 10:30 p.m. for adult borrowers. Children's hours are from 5:00 to 6:30 p.m. The number of books will be restricted to two per borrower.

FISHING CONTEST

The end is in sight!

The flounders are still around, and stripers remain at Montauk and around the inlets. The bass at the inlets are mostly small and don't seem to be hitting the surfcasters' lures.

Since there were only three entries in the August-September period, the "average" fish wasn't very hard to calculate. Steve Pollis caught a 10 lb. 12 oz. bluefish for the largest entry, and Joe Cuccia reeled in a 9 lb. 6 oz. blue for the "average" fish.

The largest entry in the current (and last) period is a 24 lb. striped bass caught by Jim Baranosky.

Contest ends November 30!

TEN PIN ALLEY

By
BOB CARCIELLO

As winter comes marching on, the keggers keep rolling along. The Screwballs, who led the Blue Leagues for six weeks, have been knocked down to a second place tie with the Needlers. The Woodbees moved up from sixth to first place to lead this League.

Lois Bartos had the angles figured right as she picked up three splits in one night: a 4-9, 3-10 and 1-5-10 and probably any other split put up in front of her. Lois and the Diamonds are in the number two spot close behind the Odds & Ends in the Pink League. E. O'Laughlin joined the ranks of the 666'ers with a high gross series of 670.

The Green League is host to three Old Timer teams. The Old Timers III are out in front with a 33-16 record. Old Timers I are in third place and Old Timers II are down in 8th place.

The Bloopers hold a very slim lead over the Leftovers in the Rose League. Bloopers record is 27-15 and the Leftovers' 26-16 record keeps the race very tight. M. Heine and C. Podlaski, each with a 141 average, lead the League. C. Podlaski goes into the 666 club with a high gross series of 666.

FOLK DANCING

Don't miss out! There is folk dancing every Monday evening from 8:00 p.m. to 11:00 p.m. at the Recreation Building in the Apartment Area.
