DUPLICATE BRIDGE GAME

There will be a bridge game Thursday, September 12, at 8:00 p.m. in the Recreation Building.

FISHING CONTEST

Either the fish aren't biting or the fishermen aren't fishing because we have only one entry in the Fishing Contest for the period which ends September 30. Unless there are three or more entries, we cannot establish an "average" award; so the time to win an outdoor thermometer or barometer is now! The largest and only entry is a 7 lb. bluefish. Bass are starting to chase mullet along the beaches, and the blues are still around - although the Northeast wind has slowed action somewhat.

BERA FILM SERIES

"LAST YEAR AT MARIENBAD"

Thursday, Sept. 19, 8:30 p.m., Lecture Hall

DO YOU REMEMBER — ?

In June of 1947 John Binnington, Research Librarian and currently President of BERA, reported for work and became the first resident of the on-site apartments. In that same year the Yankees beat the Dodgers in the World Series, Princess Elizabeth married Lt. Phillip Mountbatten and BNL was paying Clerks \$26. per week and Junior Technicians \$38. If that doesn't make you feel old, the young man in Bermuda shorts standing next to his daddy started working at the Laboratory three years ago.

BOWLERS ATTENTION

Bowling season starts the week of September 16.
