BERA FILM SERIES Ingmar Bergman's

THE VIRGIN SPRING

Thursday, Jan. 23, Lecture Hall, 8:00 p.m.

"The Virgin Spring" is a film based upon a medieval folk-song known as "The Daughter of Tore of Vange." The folk-song exists in several versions both in verse and in prose. It was romantic in origin, but it was in Scandinavia that it gained the character of a legend, and it is only in Scandinavia that it has been connected with a specific spring and church. According to the legend, a young maiden called Karin was on her way to church when she was molested and killed by three brutal herdsmen, and her innocence was proclaimed for all by the miracle of a spring bursting forth from the spot where she lay. And at this spring her father vowed to erect a church to absolve himself for the sin of the revenge he had taken for his daughter's death. The embellishment of the legend both broadens and intensifies the story of the folk-song. This primitive drama of violence and revenge is put in a Christian setting with the need for atonement and the assurance of the grace of God as the important message of the folk-song.

NOTE: The new BERA Film Series schedule will be published in THE BULLETIN BOARD in the near future.

TELEPHONE CREDIT CARDS

To avoid the nuisance to you and to the Laboratory of those minor BNL telephone bills (as well as the 10¢ per call service charge), you are urged to take advantage of the convenience of a telephone company credit card for personal toll calls made from the Laboratory. A credit card may be readily obtained by calling the business office of your home telephone exchange.

NEWCOMERS WELCOME PARTY IS PLANNED

The BNL Hospitality Committee is planning a Newcomers' Welcome for the wives of new staff members - scientific, professional and administrative - as well as for women who have themselves joined the staff during the past year. The date set is Wednesday, January 29, from 3:00 to 6:00 p.m. at the Brookhaven Center. Individual invitations are being sent to all newcomers and to oldtimers, selected more or less alphabetically, from geographical areas surrounding the Laboratory. However, whether or not you receive an individual invitation, please feel free to join the party if you wish to be active in helping newcomers become acclimated to their surroundings.

Again this year, the object of the party is to gather together as many Lab newcomers and oldtimers as possible (keeping the number of each about equal) for fun and conversation. Tea, coffee, sherry and goodies will be served. Staff wives who act as area chairmen in the various towns and villages, near and far, will of course be present and anxious to meet and talk with newcomers to their neighborhoods as well as to the Lab itself.

If transportation to the party is a problem, contact Mrs. Joan Victoria, Ext. 493, who will put you in touch with your area chairman.

BACKSTAGE WORKERS NEEDED FOR "A THURBER CARNIVAL"

The Theater Group is anxious to have everyone get into the act who is interested in working on its current production, **A Thurber Carnival**.

People are needed to help set up and operate the stage and lights, care for costumes, help in make-up, ticket sales, etc.

If you are interested in lending a helping hand on any of these backstage activities, please get in touch with one of the following people:

Tony Nappi	Ext. 2374
Manny Hillman	2560
Eena-Mai Franz	650
Ed Sayre	2145
Ginnie Sayre	2345

A Thurber Carnival will be presented in the Theater on the evenings of February 27, 28 and 29.

BERA BOARD ELECTION

During the early part of February, an election will be held to fill three positions on the Executive Board of the Brookhaven Employees' Recreation Association.

The Board members at the present time are John Binnington, Mildred O'Neill, Leonard Baker, Don David, Lawrence Fuller and Alf Christoffersen. The terms of the latter three members expire on March 1.

The following slate of candidates has been selected by the BERA nominating committee for election to the Board:

BUD POLLOCK
JEROME WEISS
JERE AUSTIN
RAYMOND STOENNER
GEORGE JACKSON
ALBERT PRODELL

The present Board would like to express its appreciation to the members of the BERA nominating committee for its services in selecting the slate.

BNL VISITORS

On January 27 and 28, a group of professional science reporters from Columbia University's Advanced Science Writing Program will visit the Laboratory to meet with BNL scientists and tour some of the major research facilities.

NEXT DANCE

The Physics Design Group has come forward to take its place in the line of departments presenting BERA Dances.

They're signed up to do the honors for our Saint Patrick's Dance which will be held in March. Watch the BULLETIN BOARD for exact details and the date.

BERA BASKETBALL

With three weeks to go in the first half of League games, Applied Math still boasts an unblemished win record. Nipping at their heels are Physics (5-1), Blue Jays (4-1), and Old Timers (4-2).

The rest of the teams are laying plans for a better showing in the second half - knowing that all teams start again from scratch at the midway point. Looming as the clutch game in the first half is the A.M.D. vs. Jays encounter on February 4 at 7:00 p.m.

CAMERA CLUB MEETING

The special meeting postponed from last week will be held on Thursday, January 23, at 8:00 p.m. in the Recreation Hall. The representative from Photographs Unlimited is making every effort to be at the meeting this week, so Club members and other interested parties should do the same. This promises to be an interesting evening, so let's have a good turnout.

CAFETERIA SPECIAL

THURSDAY, JANUARY 23

- Small Juice
- Celery & Olives
- Tossed Salad
- Roast Loin of Pork**
- Two Vegetables
- Apple Pie
- Beverage
- \$.99**

CHESS

This week we put the spotlight on openings. To a certain extent, openings are a question of fashion. A good opening is half the game won. This week we will discuss the Ruy-Lopez classical Benelux variation.

1. P-K4, P-K4. 2. N-KB3, N-QB3. 3. B-N5. Now, Black has a choice: N-Q5 leads to a lively type of game; or, without too much risk, Black could play P-KN3, or P-B4, or B-B4. The last one is known as the Benelux variation. Let's take it from Black's B-B4: White now has a choice between O-O or P-B3, the Pawn move being the better move with the possibility of securing control of the center. After Black's 4th move N-B3, we have the position as shown on the diagram. Now we continue as follows: 5. P-Q4, PxP. 6. P-K5, N-K5. 7. O-O, P-Q4. 8. NxP. 9. BxN. From the aggressive position of his king's bishop, Black disposes of good chances. Consider, for instance, 9. NxN, PxN. 10. BxP, B-R3. 11. QxP, BxR. 12. BxR, B-B5. Black now would win with the threat of mate on the back rank. Any questions about chess will gladly be answered by the BULLETIN BOARD's Chess Editor, Martin vanLith, Ext. 565.

POOL SCHEDULE

TUESDAY THROUGH FRIDAY
5:00 P.M. - 10:00 P.M.

ELIGIBILITY AND ENROLLMENT FOR THE MEDICAL INSURANCE PLAN

FAMILY BENEFITS

When a single employee marries and wishes to change from the Single to the Family Plan, application should be made at the Personnel Office. If the application is made within ninety days of the date of marriage, no medical examination will be necessary. After ninety days evidence of insurability will be required.

MATERNITY BENEFITS

Maternity coverage for the wife of an employee with a Family Plan becomes effective nine months after the application for family benefits is approved.

STUDENT BENEFITS

Coverage for a dependent child is automatically cancelled on the December 31 following his 19th birthday. By payment of an extra premium equivalent to the premium paid by a single employee, children over age 19 are eligible for coverage if they fulfill all of the following conditions:

1. They are unmarried and make their home with the employee;
2. They are fully dependent upon the employee; AND
3. They are attending an accredited educational institution on a full-time basis.

PERSONNEL SERVICES

Recreation Office - 3 Center Street
Daily 9:00 a.m. - 1:00 p.m.

WORLD'S FAIR TICKETS

Reduced rates until February 29.* Industrial discount mail order coupons* are now on hand offering employees a savings on varied combination type tickets which include several of the Fair's feature attractions, such as "Dick Button's Icetravaganza," "Wonder World" at the amphitheatre, the "Dancing Waters Show," etc. Other items featured in the combo packages include food discount tickets, souvenir banners and a "One Day Itinerary." Five basic combination offers are supplemented by fifteen alternate packages.

Admission Tickets* - In addition to the above plans, single admission tickets will be sold at the Office at a reduced rate: Adults, \$1.50; * Children, \$.80.*

Tickets for the Fair will be honored on any day the Fair is open in 1964 or 1965: April 22, 1964 to October 18, 1964; and April 21, 1965 to October 17, 1965.

*On February 29, the advance sale of all Fair tickets will be concluded. Tickets offering discounts will still be available, but at an increased price.

BOAT SHOW

Discount coupons are now available for the Boat Show which is being shown indoors at Roosevelt Raceway, Westbury, February 1-9. Price with coupon is \$1.00.

DISCOUNT TICKETS

Discount tickets, good through February 1, are available for "Stop The World I Want To Get Off," playing at the Ambassador Theater in New York City.
