ELECTION DAY WORKING HOURS

The normal working hours for the Laboratory on Election Day, Tuesday, November 3, 1964, will be from 8:30 a.m. to 3:00 p.m. However, employees working this schedule will be paid for the regular day. Supervisors of employees in positions which require full 8 hours' service will schedule two hours in addition to the regular shift schedule but will not require the two additional hours to be worked.

Time cards for employees working the normal Election Day schedule will show 1500 as their time out. All time cards will show time actually worked and "E" will be entered in the Remarks column. Consequently, the two hours of time off for voting purposes will be at straight time pay for all employees.

NOTICE FROM PAYROLL

Friday, October 30, is the scheduled pay day for weekly and monthly employees. However, in order to facilitate the cashing of payroll checks at the on-site Peoples National Bank, the weekly employees' checks will be distributed at the Bank on Thursday, October 29 and the monthly employees' checks will be distributed on Friday, October 30.

The Bank hours will be:

Thursday, Oct. 29
9:45 a.m. to 12:00 noon
12:30 p.m. to 4:00 p.m.

Friday, Oct. 30
10:00 a.m. to 3:00 p.m.

CHESS PROBLEM

In this week's problem, White has to queen a pawn in order to win. Black can stop the pawns and then is in for a big surprise. White to move and win. Solution elsewhere in THE BULLETIN BOARD.

SIXTH ANNUAL BERA ART EXHIBIT OPENS WEDNESDAY, NOVEMBER 4

"Staircase," by Morris Kantor

Works of art by fifteen twentieth century artists, on loan from the Bertha Schaefer Gallery of New York City, will make up the sixth annual BERA art show, which opens in the Exhibit Hall on Wednesday evening, November 4. For this show, the BERA Art Committee has attempted to include works from a wide variety of trends in art.

Among the well-known artists to be represented are Richard Baringer, William Clutz, Balcomb Greene, Marsden Hartley, Morris Kantor, and John Von Wicht. The young Japanese Aiko Miyawaki will show two works in oil and marble dust on panel. Another artist, Sue Fuller, is represented by geometric compositions in string. The works of four sculptors included in the exhibit will also span a wide spectrum of artistic thought.

A buffet supper at which Miss Schaefer will be present will be served at the Brookhaven Center at 6 p.m. on the opening night. Those wishing to attend should make their own arrangements.

At the opening, Miss Schaefer will discuss informally the various works of art on exhibit. It is hoped that some of the artists will also accept the invitation to attend the opening.

The Art Exhibit will be open on weekdays through Wednesday, November 11, with hours from 11 a.m. to 5 p.m. On the days of the three Pegram Lectures, Friday, November 6, Monday, November 9, and Wednesday, November 11, it will also be open during the evenings, from 7:30 to 8:30 and for an additional hour following the end of each lecture.

NOTES ON OPEN HOUSE

As announced in last week's BULLETIN BOARD, an Open House for all BNL employees and their families is planned for Thursday, November 5, between the hours of 3:00 p.m. and 7:00 p.m.

Because the aim of Open House is for employees and their families to relax and see as much of the Laboratory as they like and when they like, the do's and don't's for the afternoon will be kept at a minimum. The information you'll need in order to plan your program is given below.

To date, the list of major research facilities that will be open for visitors is as follows:

- | | |
|--|---|
| Graphite Reactor (701) | Reactor Physics (135) |
| Parts of the Cosmotron (902) | Critical Assembly Facility (525-26) |
| Metallurgy Building (480) | Instrumentation & Health Physics Laboratories (535) |
| Hot Laboratory (801) | Calibration Laboratory (348) |
| High Intensity Radiation Devel. Lab. (528) | Meteorology Laboratory (51) |
| Nuclear Engineering Buildings (197 & 815) | Parts of the Medical Research Center (490) |
| AGS East Experimental Building (912) | Cyclotron & Van de Graaff (901) |
| Biology Building (463) | |
| Physics Building (510) | |

Many areas that are not named above will also be open, so that most employees will be able to show members of their families their own places of work. (Please note, however, that the High Flux Beam Reactor and the Computer Center **cannot** be visited during Open House.) Personnel will be on duty in each of the locations to answer questions and direct visitors. Of course, employees themselves are asked to exercise caution and restraint, especially when accompanied by their children. Please keep them close at hand and far away from tempting buttons, controls or gadgets that shouldn't be touched. All "no smoking" signs should be carefully observed.

Maps and additional Open House guidance will be available at a special information desk in the Brookhaven Center. The Center will be open from 3:00 p.m. on, with plenty of room for relaxing and enjoying the refreshments on sale there - and don't forget that the Center serves dinner at nominal prices from 5:00 p.m. on.

For the foot-weary and celluloid-minded, films will be shown continuously from 3:00 p.m. at the Lecture Hall on Brookhaven Avenue.

Enough notes for now! Have a look at next week's newspaper to check on any new Open House developments, and plan to be on hand November 5.

SWIM CLASSES TO START WEDNESDAY, NOVEMBER 4

Adults - Wednesday, November 4
Children - Friday, November 6

DIVERS' CLUB TO HOLD OPEN HOUSE AT POOL

On Monday night, November 2nd, at 8 p.m., the Brookhaven Divers' Club will hold an open house at the BNL pool. The occasion is to open the 1964-65 winter season of the Club. All present Club members, as well as employees and their families interested in Club membership, are invited to attend. The pool will be open for members' and guests' use with diving equipment. Persons interested in observing this thrilling sport first-hand should have an enjoyable evening. At the present time the Club is soliciting new members, and experienced divers will be on hand to answer questions.

Remember the date, Monday, November 2nd, at 8 p.m., BNL pool. No charge for pool use.

FOLK SING

There is a weekly folk sing each Wednesday evening at 8:00 p.m. in the Recreation Hall. Bring your banjo, guitar, or voice for a night of folk songs from all over the world.

BERA FILM SERIES

Due to Visitors' Days and Open House, the next BERA Film Series presentation has been postponed until Thursday, November 12.

The film schedule for the coming weeks will be published in next week's BULLETIN BOARD.

SEPARATE TABLES

On Thursday evening, November 19, at 8:30 p.m., the curtain will rise on the next BNL Theatre Group's production, "Separate Tables." For several weeks the cast and crew have been in earnest rehearsal. There are still a few weeks to go. Those of you who have seen any of the rehearsals, or remember the Broadway and film versions, already know the excitement and excellence of the play. Those of you who haven't are in for an intense and interesting evening.

This year, ticket sales are beginning early so be sure to purchase yours as soon as possible. Remember those dates: November 19, 20, and 21. Below is a list of department ticket sellers.

Recreation Office	M. Walters

OPAQUE PROJECTOR MISSING FROM CENTER. ANYONE LOCATING IT CALL HENRY BOOMER EXT. 2453.

RIFLE & PISTOL CLUB

The Bellock Instrument Company was defeated in a wild match which saw the BNL rifle team romp off with a 672 to 727 victory. Fine performances by John Jacobs and A. Finocchio with scores of 178 and 182 out of 200, backed up by A. Lukas' 183 and R. Domish's 184, left no doubt as to the outcome of the match. The team now has a record of three wins and no losses in the Long Island Industrial League. The next match will be held at the Merchant Marine Academy at Kings Point on October 29. Anyone interested in competitive shooting should contact P. Colombo at Ext. 624.

The monthly club meeting will be held at the Recreation Hall on November 5 at 8 p.m.

SEPARATE TABLES' WHO'S WHO

Trevor Bacon — John Malcolm

Trevor comes to Brookhaven from England and has been with the Nuclear Interactions group of the Physics Department for two years. As John Malcolm, the hard-drinking, hard-living columnist, Trevor will be making his first stage appearance. But don't let this fool you. His interpretation of the role is perfect... right down to the accent. See him November 19, 20, 21.

COOKING EXCHANGE GROUP

The third meeting of the Cooking Exchange Group will be held on Wednesday, November 4, from 3 to 5 p.m. in the Recreation Building, BNL Apartment Area. Demonstrations will be given by Margarita Sastre (pecan pie), Nimmo Sharma (Indian vegetable dish), Aldona Sehgal (beef curry and honey cake), and Martina Kuscer (Slavic potica or election day cake). All who are interested, on or off site, will be most welcome. For further information, contact Joy Johnson at SH 4-5378 or Norma Chernick, GR 5-0168.

HALLOWEEN MIXER

Several members of the Medical Department have gotten together and planned an informal Halloween Get-Together. They extend an invite to any guests who'd like to join them - old-timers, newcomers, couples, singles. Come in costume if you're in the mood - most will be wearing jeans and shirts. Bring your own liquid refreshment and mixer; ice and pretzels will be provided. For details, see your department secretary. The time is Friday evening, October 30, in the Recreation Building beginning at 8:30 p.m.

MIXED DOUBLES BOWLING TOURNAMENT

Saturday, November 14 — 3:30 p.m. — Port Jeff Bowl

Applications for the mixed doubles bowling tournament must be in by 3 p.m. on Friday, November 6.

All new bowlers are welcome - you need not be a league bowler to enter the tournament. Hurry with your entries, for only 64 teams can be accommodated. Here are the rules:

1. A team shall consist of two bowlers, one male and one female. At least one member of the team must be a BNL employee (per BERA definition).
2. The tournament shall consist of three games per bowler, bowled across six lanes.
3. Handicap (per bowler per game) shall be arrived at by using the standard BNL bowling rule which is 80% of the difference between the bowler's average and 200.
 - a. Bowlers in BNL leagues last winter season use final BNL average.
 - b. Bowlers in BNL leagues for the first time this season use BNL average as of 10/26/64. Bowlers must have bowled at least twelve games to use this average.
 - c. Bowlers not in BNL leagues this season or last, but who bowl in other leagues this season, use highest current sanctioned average as of 10/26/64. 1964 BNL final summer league averages will be accepted if none of the above rules apply. Bowlers must have bowled at least twelve games to use this average.
 - d. All others use score of first game for first game average; use scores of first two games divided by 2 for second game average; use scores of first three games divided by 3 for third game average.
 - e. Maximum handicap allowed per game for men is 70 pins; there is no maximum handicap for ladies.
4. Prizes will be based on scores plus handicaps, and awards will be given to 1st, 2nd, and 3rd place teams plus ladies' and men's individual high gross game.

Awards will consist of **Baskets** and **Bottles** of **Holiday** cheer.

The above prizes are guaranteed for the minimum number of tournament entries (30). Additional prizes will be awarded based on the number of entries in excess of 30, e.g., fourth and fifth place teams, second place ladies' and men's individual games. No ABC or WIBC prizes!

5. Team entry fee, including cost of bowling is \$5.00. Entry blank and fee must be presented at the Recreation Office not later than 3 p.m. on Friday, November 6. No entries will be accepted after the first 64 have been received. The fee is non-refundable; only in the event that the minimum number of entries is not reached will the fee be refunded and the tournament called off. Teams not present and ready to bowl at the start of the tournament will forfeit the team fee.
6. The rules of the American Bowling Congress are adopted for this tournament except as otherwise stated herein.
7. Decisions of the tournament committee will be final.
8. Matchmaker Service: Fred Hohmann, Ext. 2117, or G. Fales, Ext. 2164.

ENTRY APPLICATION
